*Quiche and Tell* Heidi Heller Niehart, 2004-10 Heidi Heller Niehart's column The Singles Zone appeared in newspapers throughout the Country from 1994 to 1999 She has always wanted to publish a book containing her columns alongside recipes so people can do two of her favorite things together laugh and eat Heidi is now married with two kids She is working on her sequel Too Tired to Quiche A collection of witty and somewhat horrifying tales of marriage and raising kids **The Single Person's Cookbook** Tony Wilkins, 2007-02-16 A friend told me about a new person he'd invited over for dinner later that night Since my friend is the world's worst cook and hates cookbooks too complicated and the recipes are never broken down for single serving meals the task fell to me to help My suggestions included everything from a roasted chicken to a stir fry I also told him he could have me prepare the meal for him but do take out or starve I could help him come up with a few simple recipes he could make himself in 30 minutes or less While putting together his menu he asked me a question Have you ever thought of writing a cookbook To which I replied if I did it would be specifically for single people And as they say necessity is the mother of invention The Single Person's Cookbook is written for anyone without a wife husband children or significant other to cook for Or for anyone needing to impress a date or serve a special someone a great meal because you care In short it is for anyone who wants a simple fast elegant low fat and yes romantic home cooked meal in minutes Each chapter will include approximately 5-10 recipes a piece and tips to help make the cooking process easier and more enjoyable Although I have included measurements for these recipes as a frame of reference I'd like to note that I rarely ever measure anything ever In creating a simple meal I find that using the six senses instinct being the sixth are far more important and reliable than a measuring cup As a single man myself over 40 I'm often aware of the irony of life's little lessons The blind date that turns out to be your ex-lover's ex-lover This book will not only be informative from a culinary standpoint but also offers funny little observations about getting through life as a single person of a certain age Think Sex in the City meets 30 Minute Meals from a gay man's point of view The book also offers tips on fitness I went from 232 lbs to 165lbs in about a year as well as ways to save money on your food bill Upcoming books in The Single Person's Cookbook series include *Cooking from your Garden* and *Southern Cooking* *The IT Girl's Guide to Blogging with Moxie* Joelle Reeder, Katherine Scoleri, 2007-12-26 Want to break into blogging but don't know where to start Dynamic duo Joelle Reeder and Katherine Scoleri of The Moxie Girls™ show you how to start your first blog polish your prose get involved in blogging communities make sense of RSS feeds podcasts photos and more all with fun humor and attitude Inside you will find the need to know info to get your blog noticed How to choose the right blogging platform or content management tool select a web host dress up your blog manage blog content and keep your privates private When you are ready for more The Moxie Girls will treat you to insider dish on blog etiquette analyzing blog traffic blogging for business creating podcasts and adding bling to your blog with plugins add-ons and more Throw in the refreshing cocktails beauty tips and gossip with the Girls at the end of each
