

The poster features four characters' faces in the upper left, separated by vertical bars. Below them, a Western scene unfolds in a dusty street with wooden buildings, a lone horse, and a dark, imposing figure in the shadows. The title 'THE QUICK AND THE DEAD' is written in a stylized, serif font on the right side.

Programs in Research Education and Testing Second Edition is the extensively expanded revision of the popular

Management of Laboratory Animal Care and Use Programs book published earlier this century Following in the footsteps of

the first edition this revision serves as a first line management resource providing for strong advocacy for advancing quality

animal welfare and science worldwide and continues as a valuable seminal reference for those engaged in all types of

programs involving animal care and use The new edition has more than doubled the number of chapters in the original

volume to present a more comprehensive overview of the current breadth and depth of the field with applicability to an

international audience Readers are provided with the latest information and resource and reference material from authors

who are noted experts in their field The book Emphasizes the importance of developing a collaborative culture of care within

an animal care and use program and provides information about how behavioral management through animal training can

play an integral role in a veterinary health program Provides a new section on Environment and Housing containing chapters

that focus on management considerations of housing and enrichment delineated by species Expands coverage of regulatory

oversight and compliance assessment and assurance issues and processes including a greater discussion of globalization and

harmonizing cultural and regulatory issues Includes more in depth treatment throughout the book of critical topics in

program management physical plant animal health and husbandry Biomedical research using animals requires

administrators and managers who are knowledgeable and highly skilled They must adapt to the complexity of rapidly changing technologies balance research goals with a thorough understanding of regulatory requirements and guidelines and know how to work with a multi generational multi cultural workforce This book is the ideal resource for these professionals It also serves as an indispensable resource text for certification exams and credentialing boards for a multitude of professional societies Co publishers on the second edition are ACLAM American College of Laboratory Animal Medicine ECLAM European College of Laboratory Animal Medicine IACLAM International Colleges of Laboratory Animal Medicine JCLAM Japanese College of Laboratory Animal Medicine KCLAM Korean College of Laboratory Animal Medicine CALAS Canadian Association of Laboratory Animal Medicine LAMA Laboratory Animal Management Association and IAT Institute of Animal Technology
