The Sparrow and the Crow is and will be an epic journey deep within your wildest imagination It takes you in places that light cannot exist but love does It makes you fear what you don't believe and except what you can't conceive Christ was a flower a perfect flower taken into the eye of the sparrow Hatred rage anger became justice caught within the heart of the crow The power of Christ has traveled through the ages searching for two people a man and a woman who are not perfect before God but their hearts are pure and one with creation They are the chosen ones Two people willing to die for each other for no other reason than to preserve a single burning light within a darkened night A candlelight burning within the Eye of the Sparrow His promise to Adam and Eve becomes the Omen of the Crow That he who seeks the rose shall inherit the Heavens and Earth forever more *Electric Brain* R.
