Physician Managers Handbook:

The Physician Manager's Handbook Robert J. Solomon, 2008 Physicians are increasingly taking on new roles as executives and managers in today's health care delivery system. As such, management skills should be an essential part of every physician's repertoire. Complete with sophisticated and practical approaches to health system management and leadership problems encountered by physicians, this text is an ideal resource.

Physician Practice Mergers Reed Tinsley, 2001 The benefits of a successful practice merger are obvious. But done incorrectly or unwisely, mergers often unravel, ending with a breakup of the group or with one or more doctors leaving. Just as important as having a merger go smoothly is knowing when not to merge. Practices may be too far apart in their values and ways of working to ever successfully combine into a single group.
