Quarter For A Kiss:

A Quarter for a Kiss Mindy Starns Clark, 2011-10-01 With a touch of romance and a strong heroine A Quarter for a Kiss offers more of the fast paced and suspenseful inspirational writing found in A Penny for Your Thoughts Don't Take Any Wooden Nickels and A Dime a Dozen In this fourth book of the Million Dollar Mysteries Mindy Starns Clark weaves another tale of mystery and God's touch on the lives of those who seek Him As a young widow Callie Webber finds strength in her faith in God and joy in her growing romance with her employer Tom Bennett When their friend and mentor Eli Gold is shot the search for answers as to who and why leads Tom and Callie to the beautiful Virgin Islands There they face a sinister enemy among the ruins of an old sugar plantation an enemy who's willing to do anything to keep his identity secret and the past deeply buried

Second Kiss Natalie Palmer, 2010 Even my most humiliating moments seemed funny somehow when I told them to Jess Gemma Mitchell is a normal girl who somehow gets herself into abnormally embarrassing circumstances And while she thinks she's the biggest loser in school because of them there are a few people in her life who would disagree One of those people is her best friend Jess Tyler who is opposite to her in every way He's popular good looking athletic and intelligent and he can't get enough of Gemma But while Gemma is dealing with problems like wrong locker combinations and Valentine's Day dances Jess is living in a world of serious issues that are foreign to Gemma until she realizes that he's holding on to her for dear life Humorous and true to life Second Kiss is an entertaining saga about a boy and girl who find that their lives have a lot more meaning once they have shared them with each other

Charles Dickens, 1894 **Rock Brands** Elizabeth Barfoot Christian, 2010-12-22 *Rock Brands Selling Sound in a Media*

Saturated Culture edited by Elizabeth Barfoot Christian is an edited collection that explores how different genres of popular music are branded and marketed today The book's core objectives are addressed over three sections In the first part of *Rock Brands* the authors examine how established mainstream artists' bands are continuing to market themselves in an ever-changing technological world and how bands can use integrated marketing communication to effectively brand themselves This branding is intended as a protection so that technology and delivery changes don't stifle the bands' success KISS AC/DC Ozzy Osbourne Phish and Miley Cyrus are all popular musical influences considered in this part of the analysis In the second section the authors explore how some musicians effectively use attention-grabbing issues such as politics for example Kanye West and countless country musicians and religion such as with Christian heavy metal bands and Bon Jovi in their lyrics and also how imagery is utilized by artists such as Marilyn Manson to gain a fan base Finally the book will explore specific changes in the media available to market music today see M.I.A. and her use of new media and similarly how these resources can benefit music icons even after they are long gone as with Elvis and Michael Jackson *Rock Brands* further examines gaming reality television and social networking sites as new outlets for marketing and otherwise experiencing popular music What makes some bands stand out and succeed when so many fail How does one find a niche that isn't just kitsch and can stand the test of time allowing the musician to grow as an artist as well as grow a substantial fan base Elizabeth Barfoot Christian and the book's contributors expertly navigate these questions and more in *Rock Brands Selling Sound in a Media Saturated Culture*
