Que Sera Sera:

Que Sera Sera Sohrab Khandelwal, 2021-10-21 Adapted into a Multiple Award Winning BAFTA Qualifying Film Two strangers Kabir the poet and Lucia the ballerina meet on their last day in Mumbai In a world that has little time for real conversations the two find comfort in each other's company as they explore the city But they also discover that not all is well as it appears to be Each carries a storm within hidden under the personas just like little whirlpools that run beneath the surface of seemingly calm waters What will become of them Que sera sera Que sera sera is a story about love set in the fast paced world of hook ups and one night stands A transformative journey about two lost souls finding their way just as we all are The characters in the book are purely imaginary And if they find any resemblance to some personality of the reader then it won't be merely a coincidence
