Quest For The Beloved:

Early Christian Voices David H. Warren, François Bovon, Ann Graham Brock, David W. Pao, 2003 This collection of studies in honor of François Bovon highlights the rich diversity found within early expressions of Christianity as evidenced in ancient texts in early traditions and movements and in archaic symbols and motifs

Goethe's Faust and the Divan of Ḥāfīz Hiwa Michaeli, 2019-10-21 This book explores the poetic articulations of a shift from a transcendent to an immanent worldview as reflected in the manner of evaluation of body and soul in Goethe's Faust and his Divan Focusing on two lifeworks that illustrate their authors' respective intellectual histories this cross-genre study goes beyond the textual confines of the two poets' Divans to compare important building blocks of their intellectual worlds

Spirituality in John's Gospel Gabriel-Mary Fiore, 2023-11-30 The Fourth Gospel has been known as the spiritual gospel since the second century but only recently have biblical scholars attempted to express the unique spirituality found in that sacred text Surprisingly no consensus has emerged even after a century of research Thus while John's Gospel is widely admired as a vibrant source of Christian piety the distinct features of its spirituality remain unclear Fr Fiore addresses this problem from the fresh perspective of spiritual theology Capitalizing on a century of Johannine biblical scholarship he uses the interdisciplinary methods of spiritual theology to bring new data to the study of the Gospel and solutions to many lingering questions How did ancient readers understand what scholars now refer to as the Gospel's spirituality How does that ecclesial reading compare to the analysis of modern critical exegesis What makes Johannine spirituality special among other forms of Christian piety How does the question of the Gospel's authorship impact our understanding of its spirituality Does the Gospel contain what we now call mysticism In what ways is John's spirituality still relevant for Christians today Students of Christian spirituality and Johannine exegesis alike will find here stimulating historical and theological analysis of the Gospel's spirituality

Essays on John and Hebrews Harold W. Attridge, 2010 Harold W Attridge has engaged in the interpretation of two of the most intriguing literary products of early Christianity the Gospel according to John and the Epistle to the Hebrews His essays explore the literary and cultural traditions at work in the text and its imaginative rhetoric aiming to deepen faith in Christ by giving new meaning to his death and exaltation His essays on John focus on the literary artistry of the final version of the gospel its playful approach to literary genres its engaging rhetoric its delight in visual imagery He situates that literary analysis of both works within the context of the history of religion and culture in the first century with careful attention to both Jewish and Greco-Roman worlds Several essays focusing on the phenomena connected with Gnosticism extend that religious historical horizon into the life of the early Church and contribute to the understanding of the reception of these two early Christian masterpieces
