Question Of Loyalty:

A Question of Loyalty Gillian Poucher, 2022-10 **Questions of Order** Peter Price, 2021 Canadian Confederation has long been assessed as a political moment that created a new national entity This book breaks new ground by arguing that Confederation was an imperial event that generated new questions and ideas about the future of global political order A Question of Loyalty John Dalton, 195? The Sociology of Loyalty James Connor, 2007-09-04 Specifically this book explains loyalties why we have them and what they do for us and society It also places loyalty into the study of emotions such as trust and shame By drawing on current theories and current and historical examples this book clearly establishes the components of loyalty and its place with in the theories of emotion Additionally it develops the theoretical understanding of emotions by taking a previously ignored yet highly topical emotion and placing it within the theoretical perspective A Question of Loyalty May Sutherland, 1928 **Question of Loyalty** Nicolas Freeling, 1964 A Question of Loyalty Barbara Greenwood, 2018 *A Question of Loyalty* Paul M. Sniderman, 2024-06-21 Do Americans have too little confidence in government or do they have perhaps too much What types of political protest suit a democratic society These questions matter to citizens as well as to social scientists particularly when so many of us have become cynical about politics A Question of Loyalty attempts to answer these questions from the evidence provided by a specially designed survey to measure political alienation and political protest Citizens can make two kinds of errors they can be over ready to yield to authority or over ready to contest it This study shows one way to tell who has too much faith in government and who has too little How citizens think about authority whether their evaluation of government is balanced or one sided matters in a democratic society And demonstrating just how it matters how it affects not only what citizens believe but what they actually do is the object of this book We are in the habit of thinking that a loss of citizen confidence weakens a democratic society whereas unbounded trust in government bolsters it But the quality of citizens judgment matters too Depending on whether their evaluation of government is balanced or not citizens who are allegiant may threaten and those who are alienated may strengthen the spirit of democratic politics This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1981 A Question of Loyalty Hamilton Easter Field, 1918* **The Great Air Race** John Lancaster, 2022-11-15 The untold almost unbelievable story of the daring pilots who risked their lives in an unprecedented air race in 1919 and put American aviation on the map Years before Charles Lindbergh s flight from New York to Paris electrified the nation a group of daredevil pilots most of them veterans of the World War I brought aviation to the masses by competing in the sensational transcontinental air race of 1919 The contest awakened Americans to the practical possibilities of flight yet despite its significance it has until now been all but forgotten

In The Great Air Race journalist and amateur pilot John Lancaster finally reclaims this landmark event and the unheralded aviators who competed to be the fastest man in America His thrilling chronicle opens with the race s impresario Brigadier General Billy Mitchell who believed the nation s future was in the skies Mitchell s contest critics called it a stunt was a risky undertaking given that the DH 4s and Fokkers the contestants flew were almost comically ill suited for long distance travel engines caught fire in flight crude flight instruments were of little help in clouds and fog and the brakeless planes were prone to nosing over on landing Yet the aviators possessed an almost inhuman disregard for their own safety braving blizzards and mechanical failure as they landed in remote cornfields or at the edges of cliffs Among the most talented were Belvin The Flying Parson Maynard whose dog Trixie shared the rear cockpit with his mechanic and John Donaldson a war hero who twice escaped German imprisonment Jockeying reporters made much of their rivalries and the crowds along the race s route exploded with everyday Americans eager to catch their first glimpse of airplanes and the mythic birdmen who flew them The race was a test of endurance that many pilots didn t finish some dropped out from sheer exhaustion while others betrayed by their engines or their instincts perished For all its tragedy Lancaster argues the race galvanized the nation to embrace the technology of flight A thrilling tale of men and their machines The Great Air Race offers a new origin point for commercial aviation in the United States even as it greatly expands our pantheon of aviation heroes Loyalty, Aristocracy, and Jingoism Goldwin Smith,1896 *Congressional Record* United States. Congress,1888 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *House documents* ,1886 *Annual Baptist Autumnal Conference for the Discussion of Current Questions, Held ...* ,1898 **Annual Session of the Baptist Congress for the Discussion of Current Questions, Held at ...** ,1897 The Parliamentary Debates Great Britain. Parliament,1893 *House Documents* USA House of Representatives,1870 *The Congressional Globe* United States. Congress,1872 **index to reports of committees of the house of representatives for the second session of the forty-third congress.** ,1875 Parliamentary Debates ,1891
