Questioning Judaism Interviews:

Questioning Judaism Jacques Derrida, Elisabeth Weber, 2004 This volume presents the meditations of seven well known French thinkers on the special relations of their own intellectual pursuit to Judaism **Voltaire's Jews and Modern Jewish Identity** Harvey Mitchell, 2008 In this book Harvey Mitchell re examines the nature of Voltaire s hostility by analyzing the Enlightenment its role as a source of modern Anti Semitism and its shaping of modern Jewish identity **Continental Philosophy and the Palestinian Question** Zahi Zalloua, 2017-02-23 From Sartre to Levinas continental philosophers have looked to the example of the Jew as the paradigmatic object of and model for ethical inquiry Levinas for example powerfully dedicates his 1974 book *Otherwise than Being* to the victims of the Holocaust and turns attention to the state of philosophy after Auschwitz Such an ethics radically challenges prior notions of autonomy and comprehension two key ideas for traditional ethical theory and more generally the Greek tradition It seeks to respect the opacity of the other and avoid the dangers of hermeneutic violence But how does such an ethics of the other translate into real everyday life What is at stake in thinking the other as Jew Is the alterity of the Jew simply a counter to Greek universalism Is a rhetoric of exceptionalism with its unavoidable ontological residue at odds with shifting political realities Within this paradigm what then becomes of the Arab or Muslim the other of the Jew the other of the other so to speak This line of ethical thought in its desire to bear witness to past suffering and come to terms with subjectivity after Auschwitz arguably brackets from analysis present operations of power Would then a more sensitive historical approach expose the Palestinian as the other of the Israeli Here Zahi Zalloua offers a challenging intervention into how we configure the contemporary **The Jewish Question and the Mission of the Jews** Sir Charles Waldstein, 1894 Essays on Questions of the Day, Political and Social Goldwin Smith, 1897

Essays Upon Some Controverted Questions Thomas Henry Huxley, 1892 **The Jewish Question, 1875-1884**, 1885 Jews of the Dutch Caribbean Alan F. Coming of Age in Jewish America Patricia Keer Munro, 2016-05-01 The Jewish practice of bar mitzvah dates back to the twelfth century but this ancient cultural ritual has changed radically since then evolving with the times and adapting to local conditions For many Jewish American families a child s bar mitzvah or bat mitzvah is both a major social event and a symbolic means of asserting the family s ongoing connection to the core values of Judaism *Coming of Age in Jewish America* takes an inside look at bar and bat mitzvahs in the twenty first century examining how the practices have continued to morph and exploring how they serve as a sometimes shaky bridge between the values of contemporary American culture and Judaic tradition Interviewing over 200 individuals involved in bar and bat mitzvah ceremonies from family members to religious educators to rabbis Patricia Keer Munro presents a candid portrait of the conflicts that often emerge and the negotiations

that ensue In the course of her study she charts how this ritual is rife with contradictions it is a private family event and a public community activity and for the child it is both an educational process and a high stakes performance Through detailed observations of Conservative Orthodox Reform and independent congregations in the San Francisco Bay Area Munro draws intriguing broad reaching conclusions about both the current state and likely future of American Judaism In the process she shows not only how American Jews have forged a unique set of bar and bat mitzvah practices but also how these rituals continue to shape a distinctive Jewish American identity

Perspectives In Jewish Population Research Stephen M Cohen, Jonathan S Woocher, Bruce A Phillips, 2019-07-11 Addressing methodological and substantive research problems common to local Jewish population studies the contributors to this book present the most recent research findings on such problems as how to design studies that will make a contribution to social science knowledge as well as have a strong impact on the planning process methods of sampling that will optimize the trade offs between costs and accuracy how to develop a comparative framework so that results from individual communities may be fruitfully understood in a larger context and which questions should be asked in surveys and how Detailed essays discuss every step of the research process The book includes a compendium of findings from several recent population studies as well as an annotated inventory of questionnaire items all of which should prove useful to researchers and communities planning to undertake Jewish population studies

The Jewish Question in Russia Anatoliĭ Nikolaevich Demidov (principe de San Donato), 1884 **Nineteenth Century Questions** James Freeman Clarke, 1897 *The Jewish Teachers Handbook* Audrey Friedman Marcus, 1980 Historical Questions, Embracing Ancient and Modern History with Answers William Chambers, 1880 **History of the Jews: From the Chmielnicki persecution of the Jews in Poland, 1648 C.E., to the present time, 1870 C.E** Heinrich Graetz, 1895
