Questioning God:

Questioning God John D. Caputo, Mark Dooley, Michael J. Scanlon, 2001-09-01 Jacques Derrida and other scholars explore postmodern thinking about God and consider the nature of forgiveness in relation to the paradoxes of the gift In fifteen insightful essays Jacques Derrida and an international group of scholars explore the implications of deconstruction for religion focusing on two topics God and forgiveness Among the themes addressed by contributors are the possibilities of imagining God as unthinkable imagining God as nonpatriarchal imagining a return to Augustine and imagining an age in which praise is far more important than narrative Questioning God moves readers beyond the parameters of metaphysical reason and modernist rationality as it attempts to think the questions of God and forgiveness in a postmodernist context Contributors include John D Caputo Jacques Derrida Mark Dooley Francis Sch ssler Fiorenza Robert Gibbs Jean Greisch Kevin Hart Richard Kearney Cleo McNelly Kearns John Milbank Regina M Schwartz Michael J Scanlon and Graham Ward What sets this work apart from the majority of other publications on the subject of postmodern theology and prevents it from descending into a sanctimonious hagiography of Derrida s genius is the presence among the contributors of Graham Ward and John Milbank two of the founding members of the movement known as radical orthodoxy This present work is the first to document supporters of radical orthodoxy critically engaging with proponents of Derridean deconstruction Perspectives

Questioning God Timothy Radcliffe, Lukasz Popko, 2023-07-06 The interpretation of certain key texts in the Bible by two Dominican Friars the celebrated author Cardinal Timothy Radcliffe and Biblical scholar Lukasz Popko Many today may see the relationship between God and humanity as one of passive submission and thus unquestioning Two outstanding Dominicans Cardinal Timothy Radcliffe and Lukasz Popko suggest otherwise Questioning God explores Biblical conversations with God and there is no genuine conversation without true questions Our God question us from the first conversation of God and humanity in the Bible where God asks Adam Where are you to the Risen Lord s questioning Peter on the beach Do you love me more than these others But humanity questions God too as in the audacious questioning of Jesus by the Samaritan woman at the well In this process of mutual questioning humanity is drawn ever deeper into the life of God the eternal conversation of the Trinity Insights into these transformative conversations are helpful as the Church questions how to be faithful to God in this uncertain time Fr Popko offers a fresh translation and insights of Biblical scholarship and Cardinal Radcliffe extends his rich experience as a preacher theologian and an inspiring commentator

When Ministry Hurts Dale Scott Sanger, 2024-11-26 Pentecostal clergy are among a group of professionals who may suffer from personal trauma and may also be susceptible to vicarious trauma Pentecostal theology does not have adequate resources to help clergy persons amid trauma to aid in comprehending what they are going through especially when there is no relief from the traumatic symptoms for the sufferer This phenomenological study and theological analysis reveals that there is a triumphalistic attitude within Pentecostalism that does not adequately prepare pastors to understand or cope with trauma

The way forward is for clergy to understand trauma not through traditional Pentecostal theology but by incorporating Martin Luther's theologia crucis and his practice of lament into existing Pentecostal theology and praxis. Consideration of literature on trauma studies, Pentecostal theology, and Luther's theology of the cross and his practice of lament are utilized to highlight the need and the suggested remedy.

Questioning God John D. Caputo, Mark Dooley, Michael J. Scanlon, 2001. In 15 insightful essays Jacques Derrida and an international group of scholars of religion explore postmodern thinking about God and consider the nature of forgiveness in relation to the paradoxes of the gift. Among the themes addressed by contributors are the possibilities of imagining God as unthinkable, imagining God as non-patriarchal, imagining a return to Augustine, and imagining an age in which praise is far more important than narrative. *Questioning God* moves readers beyond the parameters of metaphysical reason and modernist rationality as it attempts to think the questions of God and forgiveness in a postmodernist context. Contributors include John D. Caputo, Jacques Derrida, Mark Dooley, Francis Schüssler Fiorenza, Robert Gibbs, Jean Greisch, Kevin Hart, Richard Kearney, Cleo McNelly Kearns, John Milbank, Regina M. Schwartz, Michael J. Scanlon, and Graham Ward. Indiana Series in the Philosophy of Religion, Merold Westphal, general editor.

Questioning God John Hopper, 2021-11-30. *Questioning God* Robert Don Hughes, 2005. *Questioning God* uses realistic conversations with God to answer tough questions. Grounded in the Bible, this honest dialogue will stretch your thinking and inspire a deeper love for your Creator as you gain a better understanding of who God is and what he is like.

The Questioning God Ant Greenham, 2012-02. A questioning approach lies at the heart of our relationship with God. That's how God engages us. In fact, questioning or free inquiry is central to our being human. Yet the major monotheistic religions vary markedly on this matter. In *The Questioning God*, Dr. Greenham examines the three major monotheistic religions: Islam, Judaism, and Christianity, to see how they relate to questioning, including questions that God asks us and the questions that we ask about God. His goal is to develop a biblical theology of questioning, avoiding a loss of direction and focus that results from selective questioning, and also a loss of humanity that results from bypassing our questions through an inappropriate submission. The examination is wide-ranging, including chapters on questioning in Islam, Judaism, mainline, and evangelical Christianity, along with an examination of the consequences of a non-questioning culture. He ends the book with a proposal for a biblical theology and a look at the practical implications: just what it means to pursue a questioning culture. The author finds that questions are not just valuable; they are essential for serious human interaction. As questioning beings, he concludes, there is no limit to what we might ask, but our questions must always be anchored in the questioning God's enduring concern to engage us.

A Practical Commentary on Holy Scripture Bishop Friedrich Justus Knecht,1894 **What Are You Doing, God?** Bo Ortego,2021-02-23 Have you ever questioned God or wanted to If so this book is for you Maybe it s because of a loss or tragedy Maybe it s because everything around you seems to be going wrong Maybe it s because everything you planned and hoped for has fallen apart Perhaps it s because God isn t answering your prayers Or maybe questioning God is the only thing you feel like you can do Whatever the reason most people have probably had a moment where they questioned or wanted to question God During those times what are we supposed to do How do we move forward While we may never get direct answers to our questions God has given us something to help us navigate through those times when we find ourselves questioning Him the biblical book of Habakkuk It is a crucial part of the Bible that is all about questioning God Why this book The purpose of What Are You Doing God is simple to help followers of God understand what God has left us through the book of Habakkuk Bo Ortego will illuminate the timeless lessons and principles found within the pages of this biblical book As a result we can all be better equipped to navigate through the times when we face situations and circumstances that cause us to question God The prayer for everyone who reads this work is that you leave understanding more about God how great He truly is and that He loved us enough to leave us this book of the Bible to assist us during the hardest and darkest moments of our lives Discussion Questions Included I don t know a single Christian who doesn t want to stand victoriously over sin evil and our enemy We want to declare them defeated and see God s power manifested in and through us But almost no one wants to take the journey to get there We all want the victory but no one wants the trials We all want the miracle but no one wants to bear the cross So often we love the ending but not the journey Quote from chapter 4 Questions God Asks Us Trevor Hudson,2010-12-15 Instead of always looking for answers in the Bible Trevor Hudson suggests that we start thinking more carefully about the questions that God asks God desires a conversational relationship with us and He shows this desire by asking questions God also gives greater dignity to us by allowing us to wrestle with the questions rather than if we are simply given answers Questions God Asks Us presents ten questions five from the Old and five from the New Testament which God had asked and is still asking us as well They include Where Are You Where Is Your Brother What Are You Doing Here Who Do You Say I Am Do You Want to Get Well Why Are You Crying There is a much greater power to transform us in a question than there is in a straightforward answer each chapter includes a section with practical suggestions to answer God s question and discover this for yourself It also includes discussion questions for study groups Questions God Asks Us is bound in a handy gift format with beautiful full colour images printed on gloss art paper
