Personal Knowledge To Shape Your Future:

Shaping Your Future Leadership Peter Shaw, 2023-07-27 Confident and capable leaders recognise what has shaped them They have an understanding of their past and are continually learning from the life journeys of themselves and others They are fully engaged in the present and have a positive open and realistic mindset towards the future Shaping Your Future Leadership will help you understand what has shaped you as a leader and how to best develop your next phase of leadership Its seven focused sections consider how we are Shaped by family schooling and background Formed by life choices Moulded by responsibilities Fired by leading others Influenced by our emotions Energized by what we find as lifegiving Guided as we look to the future Shaping Your Future Leadership will help you draw from the past in order to move decisively into the future

Loving to Know Esther Lightcap Meek, 2011-06-01 Knowing is less about information and more about transformation less about comprehension and more about being apprehended This radical book develops the notion of covenant epistemology an innovative biblically compatible holistic embodied life shaping epistemological vision in which all knowing takes the shape of interpersonal covenantal relationship Rather than knowing in order to love we love in order to know Meek argues that all knowing is best understood as transformative encounter Creatively blending insights from a diverse range of conversation partners including Michael Polanyi Michael D Williams Lesslie Newbigin Parker Palmer John Macmurray Martin Buber and James Loder Meek offers critically needed epistemological therapy in response to the pervasive and damaging presumptions that those in Western culture continue to bring to efforts to know The book s innovative approach an unfolding journey of discovery through dialogue itself subverts standard epistemological presumptions of timeless linearity While it offers a sustained and sophisticated philosophical argument Loving to Know s texts and textures interweave loosely to effect therapeutic epistemic transformation in the reader *100 Days to a Younger Brain* Dr. Sabina Brennan, 2020-01-14 An easy program of one a day exercises to assess your brain health improve your memory protect your brain from cognitive decline and slow the effects of dementia Living a brain healthy life is not just to reduce the risk of dementia and other serious health issues but also to improve the quality of your life and brain performance now Investing in brain health will cost you nothing but time and effort and the brain healthy recommendations in this book can all be followed for free Brain health expert Dr Sabina Brennan s steps are simple to follow and within your control so can be integrated into daily life with ease over the course of 100 days including Creating a sleep profile and plan Assessing your stress levels and targeting specific areas to improve Building and maintaining a social life mental health and emotional wellbeing Planning out physical activity and heart health practices Dr Brennan s assessments and quizzes empowers readers to make informed choices every day about sleeping eating and lifestyle habits that will benefit all aspects of life from work to relationships and achieving personal goals This motivating book proves that you don t need to understand complicated neuroscience in order to keep your brain healthy inspiring you to do at least one small thing every day to radically improve
