Personal Knowledge Towards A Post Critical Philosophy

Katrin Beckers

Personal Knowledge Towards A Post Critical Philosophy:

Personal Knowledge Michael Polanyi, 1998 Polanyi originally a chemist and chemical physicist is now widely acclaimed for his epistemology which opposes the prevailing positivist approaches His discussion of tacit knowledge has been influential in many fields

Personal Knowledge Michael Polanyi, 1962

Personal Knowledge Michael Polanyi, 1964 In this work the physical chemist and philosopher Michael Polanyi demonstrates that the scientist's personal participation in his knowledge in both its discovery and its validation is an indispensable part of science itself Even in the exact sciences knowing is an art of which the skill of the knower guided by his personal commitment and his passionate sense of increasing contact with reality is a logically necessary part In the biological and social sciences this becomes even more evident The tendency to make knowledge impersonal in our culture has split fact from value science from humanity Polanyi wishes to substitute for the objective impersonal ideal of scientific detachment an alternative ideal which gives attention to the personal involvement of the knower in all acts of understanding In honor of this work and his *The Study of Man* Polanyi was presented with the Lecomte de Noüy Award for 1959 From publisher's description

Theologie in der Kirche Christian Lutz, 2010 Wer sich mit der Frage beschäftigt wie Theologie funktionieren kann wird auch die Kirche miteinzubeziehen haben Diese Arbeit untersucht dazu systematisch die Veröffentlichungen zweier Autoren die in der deutschsprachigen theologischen Diskussion wenig Beachtung gefunden haben Beide der US-amerikanischen Theologie Avery Dulles und der aus Oberschlesien stammende Münchener Theologe Leo Scheffczyk haben sich intensiv mit theologischer Methodologie beschäftigt und dabei spielte das Thema der Katholizität der Kirche eine wichtige Rolle Beide Autoren gelten als Vertreter einer traditionsbewussten und konservativen Theologie Da gegenwärtig eine große Zahl von Theologiestudierenden Interesse an einer solchen Theologie zeigt scheint es sinnvoll deren Stärken und Schwächen am Beispiel dieser beiden Theologen zu erörtern

The Logic of Personal Knowledge Polanyi Festschrift Committee, 2015-06-05 Originally published in 1961 Michael Polanyi was a polymath who influenced economics and the sciences as well as philosophy His wide ranging research in physical science is as well known as his work on freedom and knowledge and his arguments against positivism and reductionism This collection of essays written for him touches on all aspects of his influence but rotates around his published lectures *Personal Knowledge Towards a Post Critical Philosophy* The contributors address four areas The Scientist as Knower Historical Perspectives The Knowledge of Society and the Knowledge of Living Things

Reconsidering Michael Polanyi's Philosophy Stefania Ruzsits Jha, 2017-03-13 The chemist and philosopher Michael Polanyi 1891-1976 was one of the first twentieth century scientists to propose a program to resolve the internal conflict of the modern Enlightenment scientific detachment and moral nihilism with humanist values Stefania Jha's intellectual biography places Polanyi in the context of his time and culture analyzes his key philosophical ideas and explicates the application and at times misappropriation of his work Polanyi's method was not laid out in his published works and his vocabulary tends to make his

writings difficult to understand By exposing the structure of his theory of tacit knowing and by tracing the growth of his thinking Jha shows how the various elements of his thought are integrated Through examination of his philosophical roots in Kant and the complexity of his evolving thought she counteracts the popular notion that Polanyi s philosophy stands apart from the western philosophic tradition Jha s deep analysis makes Polanyi s shift of focus from science to philosophy more intelligible his philosophy more approachable and the causes he championed such as the freedom of science and cultural freedom more understandable Applying his notion of tacit knowing in practical directions Jha seeks to bring the study of Polanyi s philosophy out of the specialists enclave and into such fields as ethics and clinical medicine

Pastoral Virtues for Artificial Intelligence Jaco J. Hamman,2022-10-03 Pastoral Virtues for Artificial Intelligence AI acknowledges that human destiny is intimately tied to artificial intelligence AI already outperforms a person on most tasks Our ever deepening relationship with an AI that is increasingly autonomous mirrors our relationship to what is perceived as Sacred or Divine Like God AI awakens hope and fear in people while giving life to some and taking livelihood especially in the form of jobs from others AI built around values of convenience productivity speed efficiency and cost reduction serve humanity poorly especially in moments that demand care and wisdom This book explores the pastoral virtues of hope patience play wisdom and compassion as foundational to personal flourishing communal thriving and building a robust AI Biases of determinism speed objectivity ignorance and apathy within AI s algorithms are identified These biases can be minimized through the incorporation of pastoral virtues as values guiding AI

The Routledge International Handbook of Sociology and Christianity Dennis Hiebert,2023-10-18 The Routledge International Handbook of Sociology and Christianity examines the intersection of the sociology of religion a long standing focus of sociology as a discipline and Christianity the world s largest religion An internationally representative and thematically comprehensive collection it analyzes both the sociology of Christianity and Christian approaches to sociology with attention to the Roman Catholic Orthodox and Protestant branches of Christianity An authoritative state of the art review of current research it is organized into five inter connected thematic sections considering the overlapping emergence of both the Christian religion and the social science the conceptualization of and engagement with Christianity by sociological theory the ways in which Christianity shapes and is shaped by various social institutions the manner in which Christianity resists and promotes various forms of social change and the identification diagnosis and correction of social problems by sociology and Christianity This volume is an invaluable collection for scholars and advanced students with special appeal for those working in the fields of sociology and social theory as well as religious studies and theology

What Is a Person? Christian Smith,2010 The task of understanding human beings what we ourselves are our constitution and condition is a perennial problem in philosophy and related disciplines Smith argues here that our understanding of human persons is threatened by technological development and capricious academic theories alike seeking to deny or relativize the personhood of humanity Smith s book puts a stake in the ground in defense of a view of the human

that is genuinely humanistic in the traditional sense and capable of sustaining with intellectual coherence things like modern human rights and universal benevolence *The Way of Discovery* Richard Gelwick, 2004-05-12 This book offers the first full exploration of the religious ethical and social dimensions of Michael Polanyi's philosophy and its implications for the crisis of modern culture Michael Polanyi developed a new way of understanding the process of discovering scientific knowledge a theory which can alter our notions of ourselves and of existence In *The Way of Discovery* Richard Gelwick a former student of the renowned scientist turned philosopher presents us with a comprehensive and documented introduction to Polanyi's theory of knowledge Michael Polanyi was born in Budapest in 1891 After a distinguished career as a physical chemist he turned to philosophy religion and social sciences becoming by the time of his death in 1976 one of the greatest scientist philosophers of our century Polanyi maintained that three centuries of belief in scientific detachment had produced a crisis of culture Working from his own experience as a scientist and with an insight from Gestalt psychology Polanyi asserted that objective scientific knowledge is at bottom personal knowledge that scientists and artists establish meaning in basically the same way His ideas call for a new way of thinking and pose a new frontier of thought a new image of humanity

Personal Knowledge Towards A Post Critical Philosophy Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Personal Knowledge Towards A Post Critical Philosophy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Personal Knowledge Towards A Post Critical Philosophy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Personal

Knowledge Towards A Post Critical Philosophy free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Personal Knowledge Towards A Post Critical Philosophy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Personal Knowledge Towards A Post Critical Philosophy any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Personal Knowledge Towards A Post Critical Philosophy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Personal Knowledge Towards A Post Critical Philosophy is one of the best book in our library for free trial. We provide copy of Personal Knowledge Towards A Post Critical Philosophy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Personal Knowledge Towards A Post Critical Philosophy. Where to download Personal Knowledge Towards A Post Critical Philosophy online for free? Are you looking for Personal Knowledge Towards A Post Critical Philosophy PDF? This is definitely going to save you time and cash in something you should think about.
