Personal Name Index to the 1856 City Directories of Iowa Elsie L. Sopp, 1980 The Source Loretto Dennis Szucs, Sandra Hargreaves Luebking, 2006 Genealogists and other historical researchers have valued the first two editions of this work often referred to as the genealogist's bible. The new edition continues that tradition. Intended as a handbook and a guide to selecting, locating, and using appropriate primary and secondary resources, The Source also functions as an instructional tool for novice genealogists and a refresher course for experienced researchers. More than 30 experts in this field—genealogists, historians, librarians, and archivists—prepared the 20 signed chapters, which are well written, easy to read, and include many helpful hints for getting the most out of whatever information is acquired. Each chapter ends with an extensive bibliography and is further enriched by tables, black and white illustrations, and examples of documents. Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find.

Index to the Genealogical Journal, Volumes 1-10, 1972-1981, 1985 *Index to Genealogical Periodical Literature, 1960-1977* Kip Sperry, 1979 The intent of this index is to provide genealogists, researchers, and librarians with comprehensive material published each year in all of the genealogical periodicals and to data of interest and value from other periodicals.
