Regiment, New York Volunteer Infantry (Classic Reprint) Charles Augustus Fuller, 2015-07-01 Excerpt from Personal Recollections of the War of 1861 as Private Sergeant and Lieutenant in the Sixty First Regiment New York Volunteer Infantry March 1st 1861 I started for Cleveland Ohio to enter the law office of Boardman Ingersoll as a law student I was in that city at the time of the inauguration of President Lincoln After Sumpter was fired on I was anxious to enlist and go to the front with the Cleveland Grays but trouble with my eyes induced me to postpone my enlistment After the President issued his call for 300 000 additional troops I learned that Lieut K Oscar Broady a recent graduate of Madison University who had seen some military service in Sweden his native country was raising a Company for the War in which many Hamilton and Sherburne men were enrolled Isaac Plumb one of my most thought of friends was in the number there were others Edgar Willey Isreal O Foote Fred Ames and more whose names I do not now recall I decided to wait no longer but seek the enemy with the men of this Company I left Cleveland Sept 5th 1861 and reached Utica Saturday afternoon in time to find that the stage down the valley had gone and I must remain there until Monday morning or use some other means of locomotion southward to Sherburne The question I asked myself was Why not test your leg gear Now and see what you can do as a foot man I answered All right and started out though it was well into the afternoon That evening I reached Oriskany Falls a distance of about 20 miles I camped for the night at the hotel but was up the next morning before the hotel people I left the price of the lodging on the bar and started south About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Catalogue of the Library of the Boston Athenaeum** ,1880 Storming the Wheatfield James M. Smith, 2019-10-01 This gripping narrative is an in depth study of the valiant men of General John Caldwell s Union Division during the Gettysburg Campaign Caldwell s Division made a desperate stand against a tough and determined Confederate force in farmer George Rose s nearly 20 acre Wheatfield Ready for harvest the infamous Wheatfield would change hands nearly six times in the span of two hours of fighting on July 2 becoming a trampled bloody no man s land for thousands of wounded soldiers Smith examines the lives of the Union soldiers in the ranks as well as leaders Cross Kelly Zook Brooke and Caldwell himself From Colonel Edward Cross s black bandana to the famed Irish Brigade s charge on Stoney Hill to a lone young man from Washington County whose grave is marked in stone nearby James Smith s Storming the Wheatfield goes deep into the lives the soldiers evoking a personal connection with the troops Smith painstakingly contacted nearly one hundred descendants of Caldwell s soldiers producing one of the most extensively researched narratives to date Catalogue of the Public Library, 1892 ,1892 **Catalogue of the Library of**

Union and Confederate biographies. General references. Armed forces. Campaigns and battles ,2003 Volume IV Compiled and revised by Silas Felton 1063 pp revised with books missed in vols I II and III regimental publications personal narratives biographies campaigns and battles Northern and Southern Felton's new compilation is without peer He covers the subject from five different perspectives Regimental Publications and Personal Narratives Union and Confederate Biographies General References Armed Forces and Campaigns and Battles And making the work extremely useful the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new Index of Titles in the Revised Volume IV Furthermore to clear up confusion created by the multiple names often used by Confederate units during the war artillery batteries in particular which carried a state designation but were commonly known by the battery commander's name Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion      *Antietam* John Michael Priest,Jay Luvaas,2014-05-21 The best battlefield first person compilation I have read Here it all is the tactics the movement the truth about warfare The Civil War Times In Antietam The Soldiers Battle historian John Michael Priest tells this brutal tale of slaughter from an entirely new point of view that of the common enlisted man Concentrating on the days of actual battle September 16 17 and 18 1862 Priest vividly brings to life the fear the horror and the profound courage that soldiers displayed from the first Federal cavalry probe of the Confederate lines to the last skirmish on the streets of Sharpsburg Antietam is not a book about generals and their grand strategies but rather concerns men such as the Pennsylvanian corporal who lied to receive the Medal of Honor the Virginian who lay unattended on the battlefield through most of the second day of fighting his arm shattered from a Union artillery shell the Confederate surgeon who wrote to the sweetheart he left behind enemy lines in Harrisburg Pennsylvania that he had seen so much death and suffering that his head had whitened and my very soul turned to stone Besides being a gripping tale charged with the immediacy of firsthand accounts of the fighting Antietam also dispels many misconceptions long held by historians and Civil War buffs alike Seventy two detailed maps which describe the battle in the hourly and quarter hourly formats established by the Cope Maps of 1904 together with rarely seen photographs and his own intimate knowledge of the Antietam terrain allow Priest to offer a substantially new interpretation of what actually happened      *Personal Recollections of the Colored Race During the Civil War, 1861, 1865* Edward O.
