Good Puppy Academics Margie Cantwell, 2012-09-17 This book was written for people who feel overwhelmed confused or simply turned off by all the conflicting dog training methods available to us today There is so much information created by people on the subject that it is difficult to sort out who s right who s wrong what works and what doesn t work I have designed this simple book to touch on the basic things that apply to all dogs and their owners because it s not my way it s nature s way a sensible universal place to start regardless of what kind of dog or puppy you have because it s encoded in their genes As an educator I enjoy teaching people how to live more balanced lives with their pets because I believe dogs are meant to be in our lives as stress reducers not stress producers People should have a pet to enjoy them not to annoy them If your dog is causing you stress chances are you are doing the same to him Who you are and how you interact on a daily basis with your dog will determine what kind of leadership style you represent and what kind of feedback your dog will give you in return Good Puppy Academics incorporates the science of the mind along with canine psychology to achieve a balance that enhances the human and canine partnership You will discover how pain versus pleasure problem solving and having the no skill no kill mentality can help you to tap into your dog s primal intelligence and train your dog more efficiently and humanely because it s not my way it s nature s way

*Love Me, Love My Dog?* , 2010 This study examined whether people attribute different personality traits to dogs based on physical features and whether people choose dogs based on personality traits that they believe match their own personality Participants included 124 students from James Madison University who answered survey questions about personality and dogs Participants rated the personality of four dogs one black one yellow one with pointy ears and one with floppy ears through a brief ten item personality inventory TIPI Participants also rated their own personality and then rated the personality of one of five dogs they thought they were most likely to adopt Results suggest that people do attribute personality traits differently to black versus yellow dogs and pointy

versus floppy eared dogs and that there is a correlation between the personality of people and personality characteristics they attribute to their preferred dog for four of the Big Five personality characteristics This suggests that people want dogs that are similar to themselves in personality yet they may not perceive the personality of the dogs correctly What's Your Personality Type Gini Scott,2020-07-18 WHAT S YOUR PERSONALITY TYPE features a new approach to understanding yourself and others You can use it to better communicate with others improve your relationships in your personal life and at work increase your business and just have fun It s based on knowing the types of dogs you and others like the most and least You can use this system both for personal growth and self development and in business to better deal with customers clients and co workers and build a more effective team The chapters cover these topics How the Dog Type personality system works Recognizing the four dog types the German Shepherd the dominant leader the Pomeranian the social people person the Golden Retriever the supporter helper and the Border Collie the data driven researcher type The roots of the Dog Type system and why it works The characteristic of the four types of dogs Applying the Dog Type system Understanding your strengths and weaknesses Assessing how to better communicate with and interact with others based on their Dog Type Using the Dog Type system in different situations Quickly identifying the different dog types Putting it all togetherGINI GRAHAM SCOTT PhD is a writer publisher and film producer who has published over 200 books 50 for traditional publishers and 150 for her own company Changemakers Publishing specializing in books on self help popular business and social issues She also writes reviews and ghostwrites books and scripts for clients She has written and executive produced 10 feature films documentaries and TV series **The Dog Book** Robin Stewart,2000 Most books on the subject merely describe the physical characteristics of dog breeds By contrast this book gives you real choice with regard to the behavioural strengths and weaknesses of 44 of the best and most popular breeds lets you check a pup s personality and intelligence in five simple steps helps you to choose your perfect canine companion with the aid of three easy to use reference charts **The Law Journal** ,1874 *The Unconscious ; the fundamentals of human personality* Morton Prince,1921 **The Unconscious, the Fundamentals of Human Personality Normal and Abnormal** Morton Prince (psychiatre).),1915 **To-day** ,1873 *Character Sketches of Romance, Fiction and the Drama* Ebenezer Cobham Brewer,1892 **The American Digest** ,1892 The Literary Character, Illustrated by the History of Men of Genius, Drawn from Their Own Feelings and Confessions Isaac Disraeli,1881 **Memorials of the Life and Character of Lady Osborne and Some of Here Friends: Edited by Her Daughter Mrs. Osborne Catherine** Catherine Osborne,1870
