Perspectives A Williams Anthology:

The Shakespeare Thefts Eric Rasmussen, 2011-10-11 Part literary detective story part Shakespearean lore The Shakespeare Thefts will charm the Bard's many fans The first edition of Shakespeare's collected works the First Folio published in 1623 is one of the most valuable books in the world and has historically proven to be an attractive target for thieves Of the 160 First Folios listed in a census of 1902 14 were subsequently stolen and only two of these were ever recovered In his efforts to catalog all these precious First Folios renowned Shakespeare scholar Eric Rasmussen embarked on a riveting journey around the globe involving run ins with heavily tattooed criminal street gangs in Tokyo bizarre visits with eccentric reclusive billionaires and intense battles of wits with secretive librarians He explores the intrigue surrounding the Earl of Pembroke arguably Shakespeare's boyfriend to whom the First Folio is dedicated and whose personal copy is still missing He investigates the uncanny sequence of events in which a wealthy East Coast couple drowned in a boating accident and the next week their First Folio appeared for sale in Kansas We hear about Folios that were censored the pages ripped out of them about a volume that was marked in red paint or is it blood on every page and of yet another that has a bullet lodged in its pages

Contemporary Perspectives On Constitutional Interpretation Susan J Brison, 2018-03-08 Current controversies over abortion affirmative action school prayer hate speech and other issues have sparked considerable public debate about how the U S Constitution should be interpreted Such controversies along with the changing composition of an often deeply divided Supreme Court have led to a resurgence of interest in theories of constitutional interpretation This anthology edited by Susan J Brison and Walter Sinnott Armstrong presents some of the most exciting and influential contemporary work in this area Written by ten of the country's most prominent legal scholars the selections represent a wide variety of interpretive approaches reflecting different political orientations from the far right to the far left These theorists have drawn on a variety of other disciplines including literature economics history philosophy and politics and have in turn influenced these fields The selections were chosen for their accessibility originality variety and importance Together they provide an excellent introduction to constitutional interpretation as well as a valuable collection for experienced scholars in the field

Perspectives Frederick Rudolph, 1983 *Palestinian Literature and Film in Postcolonial Feminist Perspective* Anna Ball, 2012-11-27 *Palestinian Literature and Film in Postcolonial Feminist Perspective* is the first sustained study of gender consciousness in the Palestinian creative imagination Drawing on concepts from postcolonial feminist theory Ball analyses a range of literary and filmic works by major creative practitioners including Michel Khleifi Liana Badr Annemarie Jacir Elia Suleiman Mona Hatoum and Suheir Hammad and reveals a hitherto unrecognized trajectory in gender consciousness under development in the Palestinian imagination from the start of the twentieth century The book explores how these works resonate with questions of power identity nation resistance and self representation in the Palestinian imagination more broadly and asks how these gender conscious narratives transform our understanding of Palestine's

struggle for postcoloniality Working at the cusp of postcolonial feminist and cultural enquiry Ball seeks to open up vital new directions in the interdisciplinary study of Palestine *The Delegated Intellect* Donald E. Morse,1995 D H Lawrence s Response to Plato A Bloomian Interpretation is a complex unique intellectually stimulating application of Harold Bloom s anxiety of influence theories to the art and thought of D H Lawrence In this brilliant pioneering study Barry J Scherr demonstrates Lawrence s great strength as a cultural figure ranking even with the classical Plato Furthermore Dr Scherr s quintessentially original readings of *Women in Love* and *Lady Chatterley s Lover* provide remarkable insights and compelling analysis concerning these two Lawrence classics Not only does this creative study present a radically new reading of Lawrence but it also makes Bloom s theory come alive for us **Nonviolent Perspectives** Andrew Fitz-Gibbon,2025-02-04 This book is a compilation of essays addressing the central issue of humanity interpersonal violence and more importantly nonviolence as its antidote The essays trace the author s journey from early pacifist convictions influenced by personal experiences with violence to a nuanced understanding of nonviolence rooted in ethics love spirituality and critical theory Spanning over two decades the writings explore various dimensions of nonviolence from philosophical arguments and historical analysis to practical applications in parenting political resistance and care ethics The book brings together previously published works that have been instrumental in shaping the author s thinking making them accessible for scholars students and anyone interested in nonviolence With reflections on the works of Murdoch MacIntyre Gandhi and others it offers a comprehensive examination of nonviolence as both a personal practice and a social imperative Perspective; a magazine of modern literature ,1960 **Black Language Reader** Robert H. Bentley,Samuel D. Crawford,1973 Perspective ,1960 **Varieties of Present-day English** Richard W. Bailey,1973 *Perspectives* ,1956 **American National Biography** ,1999 *Forthcoming Books* Rose Arny,1984 **Perspectives USA.** ,1956 American Journal of Theology & Philosophy ,1986 *The Publishers' Trade List Annual* ,1985 **Diversity Perspectives for Social Work Practice** Robin Wiggins Carter,2003 This book examines the prevailing theoretical frameworks for viewing diversity in social work practice and helps students develop competencies for work with and on behalf of diverse populations The theoretical frameworks presented in the text cover three major dimensions of the diversity theme in social work practice ethnocultural diversity oppression and social justice and vulnerable at risk populations While other texts tend to explore these dimensions through a single theoretical framework Anderson provides an overview of these separate approaches Chapters are organized so that instructors can teach and students can learn these frameworks comparatively and critically Each chapter follows a similar outline which includes 1 a summary of the major contributors to the framework presentation of the core concepts 2 five to ten principles for practice in application of the framework 3 an example of its application to a particular practice situation 4 assessment of its strengths and limitations 5 annotated sources for further study and 6 discussion questions to promote critical thinking about the framework **Contemporary Writers in Christian Perspective** ,1969 Essays on

Race and Empire Nancy Cunard, 2002-08-12 This edition assembles the major essays on race and imperialism written by Nancy Cunard in the 1930s and 1940s As a British expatriate living in France and as a politically engaged poet editor publisher and journalist Nancy Cunard devoted much of her energy to the cause of racial justice This Broadview edition contextualizes Cunard s writings on race in terms of the relations among modernism gender and empire It includes a range of contemporaneous documents that place her essays in dialogue with other European writers and with the work of writers of the African diaspora **Books in Print** ,1991
