Perspectives Of The Black Press 1974:

Lectures Vivian Verdell Gordon,1979 Black Print with a White Carnation Amy Helene Forss,2014-01-01 Mildred Dee Brown 1905 89 was the cofounder of Nebraska s Omaha Star the longest running black newspaper founded by an African American woman in the United States Known for her trademark white carnation corsage Brown was the matriarch of Omaha s Near North Side a historically black part of town and an iconic city leader Her remarkable life a product of the Reconstruction era and Jim Crow reflects a larger American history that includes the Great Migration the Red Scare of the post World War era civil rights and black power movements desegregation and urban renewal Within the context of African American and women s history studies Amy Helene Forss s Black Print with a White Carnation examines the impact of the black press through the narrative of Brown s life and work Forss draws on more than 150 oral histories numerous black newspapers and government documents to illuminate African American history during the political and social upheaval of the twentieth century During Brown s fifty one year tenure the Omaha Star became a channel of communication between black and white residents of the city as well as an arena for positive weekly news in the black community Brown and her newspaper led successful challenges to racial discrimination unfair employment practices restrictive housing covenants and a segregated public school system placing the woman with the white carnation at the center of America s changing racial landscape **Journal of Intergroup Relations** ,2005 Readings in Mass Communication Michael C. Emery,Ted Curtis Smythe,1980 **Black Newspapers and America's War for Democracy, 1914-1920** William G. Jordan,2003-01-14 During World War I the publishers of America s crusading black newspapers faced a difficult dilemma Would it be better to advance the interests of African Americans by affirming their patriotism and offering support of President Wilson s war for democracy in Europe or should they demand that the government take concrete steps to stop the lynching segregation and disfranchisement of blacks at home as a condition of their participation in the war This study of their efforts to resolve that dilemma offers important insights into the nature of black protest race relations and the role of the press in a republican system William Jordan shows that before during and after the war the black press engaged in a delicate and dangerous dance with the federal government and white America at times making demands or holding firm sometimes pledging loyalty occasionally giving in But although others have argued that the black press compromised too much Jordan demonstrates that given the circumstances its strategic combination of protest and accommodation was remarkably effective While resisting persistent threats of censorship the black press consistently worked at educating America about the need for racial justice **Nieman Reports** ,1973 Community Newspapers Thomas Oran Davenport,1976 **Church Versus State in South Africa** Peter Walshe,1983 Analyse van de hetze tegen het progressieve Christelijke Instituut gevoerd door het Zuid Afrikaanse apartheidsregime Booker T. Washington in Perspective Raymond W. Smock,2011-01-03 This book an important companion volume to Louis R Harlan s prize winning biography of Booker T Washington makes available for the first time in

one collection Harlan's essays on the life and career of the celebrated black leader. Written over a span of a quarter of a century they present a remarkably rich and complex look at Washington the educator and leading precursor of the Civil Rights Movement who rose from slavery to be the dominant force in black America at the opening of the twentieth century. Harlan's mastery of biography is revealed in essays printed here exploring the nature of biographical writing. Readers interested in the art of historiography and biography will find here Harlan's essays detailing his experience in crafting his acclaimed biography of Washington which received two Bancroft Awards the Beveridge Award and the Pulitzer Prize. Booker T Washington in Perspective reveals Harlan as historian and biographer in the essays that were the prelude to his masterwork.

A carefully chosen team of communications experts were recruited to contribute to this professional reference guide. The first section of the handbook serves as an introduction providing a rationale and a brief history of efforts to pluralize journalism education to date. The second section defines ways to recruit and retain students and faculty of color. The third section systematically surveys ways to pluralize the curriculum in relation to African Americans Latinos Asian Americans Native Americans and women. It then considers stereotyping using special presses and methods in teaching the selection of bias free textbooks and using laboratory and other publications. The fourth section of the work concerns pluralizing the student media through media coverage and special campus recruitment and organizations. Bibliographies and lists of key sources of information arranged by chapter with careful cross referencing offer resource materials for students teachers and journalists in mass communication and multicultural studies.
