Perspectives On American Music 1900 195:

Lou Harrison Bill Alves, Brett Campbell, 2017-04-10 A biography on the legendary gay American composer of contemporary classical music American composer Lou Harrison 1917 2003 is perhaps best known for challenging the traditional musical establishment along with his contemporaries and close colleagues composers John Cage Aaron Copland Virgil Thomson and Leonard Bernstein Living Theater founder Judith Malina and choreographer Merce Cunningham Today musicians from Bang on a Can to Björk are indebted to the cultural hybrids Harrison pioneered half a century ago His explorations of new tonalities at a time when the rest of the avant garde considered such interests heretical set the stage for minimalism and musical post modernism His propulsive rhythms and ground breaking use of percussion have inspired choreographers from Merce Cunningham to Mark Morris and he is considered the godfather of the so called world music phenomenon that has invigorated Western music with global sounds over the past two decades In this biography authors Bill Alves and Brett Campbell trace Harrison's life and career from the diverse streets of San Francisco where he studied with music experimentalist Henry Cowell and Austrian composer Arnold Schoenberg and where he discovered his love for all things non traditional Beat poetry parties and men to the competitive performance industry in New York where he subsequently launched his career as a composer conducted Charles Ives's Third Symphony at Carnegie Hall winning the elder composer a Pulitzer Prize and experienced a devastating mental breakdown to the experimental arts institution of Black Mountain College where he was involved in the first happenings with Cage Cunningham and others and finally back to California where he would become a strong voice in human rights and environmental campaigns and compose some of the most eclectic pieces of his career Lou Harrison's avuncular personality and tuneful music coaxed affectionate regard from all who knew him and that affection is evident on every page of Alves and Campbell's new biography Eminently readable it puts Harrison at the center of American music he knew everyone important and was in touch with everybody from mentors like Henry Cowell and Arnold Schoenberg and Charles Ives and Harry Partch and Virgil Thomson to peers like John Cage to students like Janice Giteck and Paul Dresher He was larger than life in person and now he is larger than life in history as well

Kyle Gann author of Charles Ives's Concord Essays After a Sonata *Henry Cowell* Joel Sachs, 2012-07-09 Joel Sachs offers the first complete biography of one of the most influential figures in twentieth century American music Henry Cowell a major musical innovator of the first half of the century left a rich body of compositions spanning a wide range of styles But as Sachs shows Cowell's legacy extends far beyond his music He worked tirelessly to create organizations such as the highly influential New Music Quarterly New Music Recordings and the Pan American Association of Composers through which great talents like Ruth Crawford Seeger and Charles Ives first became known in the US and abroad As one of the first Western advocates for World Music he used lectures articles and recordings to bring other musical cultures to myriad listeners and students including John Cage and Lou Harrison who attributed their life work to Cowell's influence Finally Sachs describes

the tragedy of Cowell's life being sentenced to fifteen years in San Quentin of which he served four after pleading guilty to a morals charge that even the prosecutor felt was trivial Providing a wealth of insight into Cowell's ideas and philosophy Joel Sachs lays out a much needed perspective on one of the giants of twentieth century American music [A Blues Bibliography](#) Robert Ford,2008-03-31 A Blues Bibliography Second Edition is a revised and enlarged version of the definitive blues bibliography first published in 1999 Material previously omitted from the first edition has now been included and the bibliography has been expanded to include works published since then In addition to biographical references this work includes entries on the history and background of the blues instruments record labels reference sources regional variations and lyric transcriptions and musical analysis The Blues Bibliography is an invaluable guide to the enthusiastic market among libraries specializing in music and African American culture and among individual blues scholars *Music and Sentimentalism in the Nineteenth and Twentieth Centuries* Stephen Downes,2021-05-30 In a wide ranging study of sentimentalism's significance for styles practices and meanings of music in the nineteenth and twentieth centuries a series of interpretations scrutinizes musical expressions of sympathetic responses to suffering and the longing to belong The book challenges hierarchies of artistic value and the associated denigration of sentimental feeling in gendered discourses Fresh insights are thereby developed into sentimentalism's place in musical constructions of emotion taste genre gender desire and authenticity The contexts encompass diverse musical communities performing spaces and listening practices including the nineteenth century salon and concert hall the cinema the intimate stage persona of the singer songwriter and the homely ambiguities of easy listening Interdisciplinary insights inform discussions of musical form affect appropriation nationalisms psychologies eco sentimentalism humanitarianism consumerism and subject positions with a particular emphasis on masculine sentimentalities Music is drawn from violin repertory associated with Joseph Joachim the piano music of Chopin Schumann and Liszt sentimental waltzes from Schubert to Ravel concert music by Bartók Szymanowski and Górecki the Merchant Ivory adaptation of *The Remains of the Day* Antonio Carlos Jobim's bossa nova and songs by Duke Ellington Burt Bacharach Carole King Barry Manilow and Jimmy Webb The book will attract readers interested in both the role of music in the history of emotion and the persistence and diversity of sentimental arts after their flowering in the eighteenth century age of sensibility *Aaron Copland* Marta Robertson,Robin Armstrong,2003-08-27 Aaron Copland 1900-1990 is generally considered the most popular and well known composer of American art music and yet little scholarly attention has been paid to Copland since the 1950s This volume begins with a portrait of the composer and an evaluation of significant research trends which is intended to fill a void and to suggest directions for further research The guide also provides a section discussing Copland's interdisciplinary interests such as ballet and film work as well as a comprehensive bibliography of writings about Copland and his music **Music Literature Outlines: Early American music. 2nd ed** Harold Gleason,Warren Becker,1981 **"Mysterious Sounds of Evocative, Poetic Beauty"** Laura McShane,2004 *Women and*
