Perspectives On Contemporary Spanish American Theatre:

Perspectives on Contemporary Spanish American Theatre Frank N. Dauster, 1996 The essays in this volume reflect a pattern of interests rapidly becoming dominant among scholars Several of them deal with questions of genre or focus on metatheatre and parody theatrical techniques widespread in Latin America The majority treat these topics in conjunction with their social context

The Theatre of Sabina Berman, The Theatre of Sabina Berman The Agony of Ecstasy and Other Plays introduces and makes accessible to an English speaking audience the work of the contemporary Mexican playwright Sabina Berman The book contains translations of the four plays that established Berman's career The Agony of Ecstasy Yankee Puzzle and Heresy An introduction by Adam Vers nyi provides a critical assessment of each play a discussion of the specific problems of translation involved and placement of Berman's work in the larger Mexican and Latin American context It is evident that Sabina Berman's theatrical acumen matches the depth of her dramatic design whether it is the sheer variety of techniques from song to staged tableau that appear in The Agony of Ecstasy the physicalization of what it means to be interrogated and to interrogate in Yankee the final enigmatic image of a soldier alone on stage silently aiming his firearm at an undefined threat that potentially emanates from the audience in Puzzle or the manner in which the family narrates its own heretical actions in Heresy It is the combination of theatrical technique with universal themes of self definition that cuts across cultures and ultimately makes these plays translatable

World Encyclopedia of

Contemporary Theatre Arthur Holmberg, Carlos Solorzano, 2014-06-03 The second volume of the World Encyclopedia of Contemporary Theatre covers the Americas from Canada to Argentina including the United States Entries on twenty six countries are preceded by specialist introductions on Theatre in Post Colonial Latin America Theatres of North America Puppet Theatre Theatre for Young Audiences Music Theatre and Dance Theatre The essays follow the series format allowing for cross referring across subjects both within the volume and between volumes Each country entry is written by specialists in the particular country and the volume has its own teams of regional editors overseen by the main editorial team based at the University of York in Canada headed by Don Rubin Each entry covers all aspects of theatre genres practitioners writers critics and styles with bibliographies over 200 black in conjunction with the other volumes in this series it forms a reference resource of unparalleled value
