Perspectives On The Short Story:

Short Story Theories, 2015-06-29 Short Story Theories A Twenty First Century Perspective problematizes different aspects of the renewal and development of the short story The aim of this collection is to explore the most recent theoretical issues raised by the short story as a genre and to offer theoretical and practical perspectives on the form Centering as it does on specific authors and on the wider implications of short story poetics this collection presents a new series of essays that both reinterpret canonical writers of the genre and advance new critical insights on the most recent trends and contemporary authors Theorizations about genre reflect on different aspects of the short story from a multiplicity of perspectives and take the form of historical and aesthetic considerations gender centered accounts and examinations that attend to reader response theory cognitive patterns sociolinguistics discourse analysis postcolonial studies postmodern techniques and contemporary uses of minimalist forms Looking ahead this collection traces the evolution of the short story from Chaucer through the Romantic writings of Poe to the postmodern developments and into the twenty first century This volume will prove of interest to scholars and graduate students working in the fields of the short story and of literature in general In addition the readability and analytical transparency of these essays make them accessible to a more general readership interested in fiction

Perspectives on the Short Story for Florida State University Scott Ortolano, Caitlin Newcomer, 2013-06-10 Postcolonial and Gender Perspectives in Irish Studies Marisol Morales Ladrón, 2007 This book represents an attempt to tackle questions related to fragmented and often conflicting ideologies within Irish studies Although a collective outcome with contributions in English and Spanish its unifying concern has been the appliance of postcolonial and gender perspectives to the analysis of Irish literature prose drama and verse and cinema as well as to the aesthetic production of both the Republic of Ireland and Northern Ireland Along the volume while some authors have chosen to delve into the broad theoretical debate concerning the position of Irish studies within postcolonial and feminist theories others offer detailed examinations of specific literary pieces and authors that fit in this panorama All in all the chapters are wide and diverse enough to trace a spatial and temporal map of the evolution of these paradigms within contemporary Irish studies North and South of the border

The Short Story after Apartheid Graham K. Riach, 2023-10-15 Honourable Mention in the 2023 British Association for Contemporary Literary Studies Monograph Prize The Short Story after Apartheid offers the first major study of the anglophone short story in South Africa since apartheid's end By focusing on the short story this book complicates models of South African literature dominated by the novel and contributes to a much needed generic and formalist turn in postcolonial studies Literary texts are sites of productive struggle between formal and extra formal concerns and these brief fragmentary elliptical formally innovative stories offer perspectives that reframe or revise important concerns of post apartheid literature the aesthetics of engaged writing the politics of the past class and race the legacies of violence and the struggle over the land Through an analysis of key texts from the period by Nadine Gordimer Ivan Vladislavi Zo

Wicomb Phaswane Mpe and Henrietta Rose Innes this book assesses the place of the short story in post apartheid writing and develops a fuller model of how artworks allow and disallow forms of social thought *Perspectives on the Short Story* Caitlin Newcomer, Scott Ortolano, 2014 *The Short Story in South Africa* Rebecca Fasselt, Corinne Sandwith, 2022-03-24 This book considers the key critical interventions on short story writing in South Africa written in English since the year 2000 The short story genre whilst often marginalised in national literary canons has been central to the trajectory of literary history in South Africa In recent years the short story has undergone a significant renaissance with new collections and young writers making a significant impact on the contemporary literary scene and subgenres such as speculative fiction erotic fiction flash fiction and queer fiction expanding rapidly in popularity This book examines the role of the short story genre in reflecting or championing new developments in South African writing and the ways in which traditional boundaries and definitions of the short story in South Africa have been reimaged in the present Drawing together a range of critical interventions including scholarly articles interviews and personal reflective pieces the volume traces some of the aesthetic and thematic continuities and discontinuities in the genre and sheds new light on questions of literary form Finally the book considers the place of the short story in twenty first century writing and interrogates the ways in which the short story form may contribute to or recast ideas of the post apartheid or post transitional The perfect guide to contemporary short story writing in South Africa this book will be essential reading for researchers of African literature **A Reader's Companion to the Short Story in English** Erin Fallon, R.C. Feddersen, James Kurtzleben, Maurice A. Lee, Susan Rochette-Crawley, 2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years Reader's Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory Perspective Taking in Language Carla Contemori, Petra Hendriks, Franziska Köder, Emar Maier, Jorrig Vogels, Sonja Zeman, 2023-05-02 *Edinburgh Companion to the Short Story in English* Paul Delaney, 2018-02-01 Provides a clear introduction to the key terms and frameworks in cognitive poetics and stylistics Narrative Perspective in Edith Wharton's "Roman Fever" Kim-Cheyenne Greiner, 2024-02-02 Seminar paper from the year 2015 in the subject Didactics for the subject English Discussion and Essays grade 1 2 University of Freiburg Philologische Fakultät language English abstract Edith Wharton's *The Writing of Fiction* explores narrative techniques crucial for crafting compelling stories Focused on her short story *Roman Fever* this essay delves into Wharton's emphasis on narrator control concealment and strategic revelation of story elements Wharton advocates for revealing insights through

specific fragments constructing a captivating whole and maintaining audience interest Examining Roman Fever the essay argues that Wharton skillfully connects narrative construction with gradual character secret disclosure The story unfolds on a Roman terrace concealing secrets until a climactic revelation involving American women Grace Ansley and Alida Slade Selected passages illustrate Wharton s deliberate shaping of perspective emphasizing her preference for withholding closure The analysis centers on Wharton s use of an omniscient narrator and internal focalization on Alida Slade exploring how the narrative voice mediates content controlling readers perspectives on events and characters The essay delves into the intricacies of the second story construction providing a detailed examination The goal is to draw insightful conclusions about Wharton s narrative techniques and their impact on temporal disclosure This exploration promises readers a deeper understanding of Wharton s literary craftsmanship and an enriched appreciation for the interplay between narrative perspective and storytelling construction in Roman Fever
