Comprehending Mission: The Questions, Methods, Themes, Problems, and Prospects of Missiology Stanley H. Skreslet (II.),2012 Stanley H Skreslet offers an inviting new proposal for conceptualizing the field of missiology *Comprehending Mission* includes a concise overview of the development of missiology of the last century introducing its characteristic methodologies and offering insight into the kinds of questions missiologists typically ask In the last hundred years missiology has moved from emphasizing the practical challenges of foreign mission service to highlighting the intercultural aspects of Christian outreach Today missiology is less a form of practical theology than a field of study where theological concerns intersect with critical studies undertaken by anthropologists historians and other scholars *The National Guide to Educational Credit for Training Programs* American Council on Education,2005 Highlights over 6 000 educational programs offered by business labor unions schools training suppliers professional and voluntary associations and government agencies

The African American Church Leonidas A. Johnson,2006 *Waking Up to God's Missionary Call* In the pages of this book Rev Leonidas A Johnson eloquently shares how God's missionary call like an aromatic stew has been simmering within the African American church According to him The African American church will play a critical role in spreading the gospel message to people groups living in areas of the world that represent the last strongholds and citadels of satanic power attempting to stop God's Mission *World Christian* ,1991 **Perspectives on the World Christian Movement (International Combined Edition)** Steven C. Hawthorne,2009-06
