Couvares, 2000-07 Contrary to conventional wisdom no area of study is outdated more quickly than history and no time has been more turbulent for the discipline than our own This classic point counterpoint reader in American history now in a completely revised and updated seventh edition takes note of history's impermanence giving voice to the new without disposing of the old In ten lively chapters essays by the editors introduce dialectical readings by distinguished historians on topics from Reconstruction to the present The essays and readings address history's timeless questions Reconstruction Change or Stasis American Imperialism Economic Expansion or Ideological Crusade and The Civil Rights Movement Top Down or Bottom Up New readings are included on African Americans women and immigrants In the fray of debate eminent historians from Samuel Hays and Alfred Chandler to John Lewis Gaddis Walter LaFeber and Kathryn Kish Sklar struggle to interpret the past The editors' essays moderate The First Crusade Edward Peters, 2011-06-03 The First Crusade received its name and shape late To its contemporaries the event was a journey and the men who took part in it pilgrims Only later were those participants dubbed Crusaders those signed with the Cross In fact many developments with regard to the First Crusade like the bestowing of the cross and the elaboration of Crusaders' privileges did not occur until the late twelfth century almost one hundred years after the event itself In a greatly expanded second edition Edward Peters brings together the primary texts that document eleventh century reform ecclesiology the appearance of new social groups and their attitudes the institutional and literary evidence dealing with Holy War and pilgrimage and most important the firsthand experiences by men who participated in the events of 1095-1099 Peters supplements his previous work by including a considerable number of texts not available at the time of the original publication The new material which constitutes nearly one third of the book consists chiefly of materials from non-Christian sources especially translations of documents written in Hebrew and Arabic In addition Peters has extensively revised and expanded the Introduction to address the most important issues of recent scholarship The American Bookseller, 1878 Gender, Taste, and Material Culture in Britain and North America, 1700-1830 John
