Perspectives In Social Work:

Perspectives in Social Work Noel Timms, Rita Timms, 2018-11-09 *Perspectives in Social Work* was originally published in 1977 and provides a text for social workers in training to use. The book argues for a more philosophical approach to both understanding and doing social work and seeks to establish simple and basic elements in social work asking questions such as what should a social worker be able to do? What should a social worker know and believe? Does social work actually work? In answering these questions, the book offers a wide ranging and critical review of literature of the time and looks at social work as a method of altruism. This book is still topical today and acts as a useful document on the subject of social work both through the discussions within and through the lens of modern change. It will be of particular interest to those studying the history and changes in social work. *Social Work* Rameshwari Devi, Ravi Prakash, 2004

Dimensions of Human Behavior Elizabeth D. Hutchison, 2008 What is it about the multiple dimensions of person, environment and time that social workers need to understand? How do diversity and inequality play a role in human behavior? How does our biology, spirituality and psychology impact behavior? And finally, what can we learn about how social institutions, families, groups, organizations and communities impact the vast range of human behaviors? The Third Edition of this powerful text aims to examine these dimensions by expanding on these important questions. In this text, you will meet social workers and clients from a variety of work settings and situations who bring the passion and power of social work to life through engaging case studies found throughout the text. These case studies help apply the latest theory and research to real life practice situations. The Third Edition offers new case studies and is thoroughly updated and revised to reflect recent census data, developing trends and cutting edge research on human behavior. New to the Third Edition: Added coverage of international issues. Human behavior is put in global context throughout the book. Increased focus on social justice and diversity. More content has been added on human diversity related to gender, race and ethnicity, culture, sexual orientation and disability. Engages the reader through a variety of illustrative features. New case studies, exhibits, photos throughout and Web resources have been added to provide the most up to date information. High Quality Ancillaries: Student Study Website: Help your students succeed with this new companion student study site at <http://www.sagepub.com/pandestudy>. Students can review chapter highlights and summaries, take practice quizzes and study via student flash cards on the Web. In addition, students can download podcasts which contain important highlights presented by the author. Expanded Instructor's Resource CD: New to this edition, instructors can create tests using a new electronic test bank. In addition, this resource CD contains powerpoint slides, teaching tips, suggested classroom activities and more and is available to qualified adopters. IRCDs are available for qualified instructors only. To request an IRCD for this book, please contact Customer Care at 1-800-818-7243, 6 am - 5 pm Pacific Time or by emailing info@sagepub.com with course name and enrollment and your university mailing address to expedite the process. Intended Audience: This text was developed for advanced undergraduate and graduate courses on Human Behavior in the Social

Environment in departments of social work and psychology Together with its companion volume Dimensions of Human Behavior The Changing Life Course ISBN 978 1 4129 4126 6 students will receive the most comprehensive coverage available on Human Behavior The two volumes are also available at a discounted price as a bundle ISBN 978 1 4129 4128 0

International Perspectives on Social Work Karen Lyons, Kathleen Manion, Mary Carlsen, 2006-09-22 As social work is fundamentally being altered by the Internationalization of social problems this book examines the implications for students and practitioners Arguing that social professionals working locally need an understanding of global mechanisms and cross cultural issues it includes both local level and international examples The Routledge Handbook of Social Work Field Education in the Global South Rajendra Baikady, Sajid S.M., Varoshini Nadesan, M. Rezaul Islam, 2022-07-08 This handbook provides an authoritative account of social work field education in the global south It presents an overview of various aspects of theory and practice modules in the social work curriculum and advances in research in social work field education in the developing world through in depth analyses and global case studies Key features Discusses critical issues and new directions in the theory and practice of social work field education challenges in field work education decolonising field work training developing competent social work graduates aligning fieldwork with cultural practices in indigenous communities the idea of clinical social work and a comparative analysis of social work field supervision Integrates theory and practice of social work field education for students and teachers from diverse geographical and cultural contexts across the global south including countries from South Asia and Asia Africa and Latin America and the Caribbean covering India Bangladesh Pakistan Nepal Sri Lanka China Georgia Philippine Turkey Papua New Guinea Eswatini Republic of Trinidad Tobago Kenya Nigeria South Africa Botswana Chile and Barbados Brings together international comparative perspectives on field work education in social work from leading experts social work educators and social work professionals This handbook will be an essential resource for scholars and researchers of social work development studies social anthropology sociology education South Asian studies and Global South studies It will also be useful to educators and practitioners of social work in global institutions of higher studies as well as civil society organisations **The Strengths Perspective in Social Work Practice** Dennis Saleebey, 2006 The Strengths Perspective in Social Work Practice presents an unrivaled collection of essays that explain the strengths based philosophy demonstrate how it works and provide clear and practical tools for its application It presents a balanced approach to social work practice in contrast to a problems based approach that takes into account the strengths and assets of clients and their environments Highlights of the Fourth Edition Six New Chapters Shifting our Habits of Mind Learning to Practice from a Strengths Perspective Chapter 2 examines how social work practice was historically a more problem focused profession and the how the current shift towards strengths plays an important part in our work Solving Problems from a Strengths Perspective explores with relevant examples how a practitioner can take a perspective on problems that leads to strengths based and solution focused practices Strengths Based Case Management Enhancing Work

with Persons with Substance Abuse Problems Chapter 8 explores the further extensions of and developments in this important and ground breaking work The Resilience of Families Chapter 11 examines those factors that promote family resilience and how they can be applied in practice Consciousness and Commitment Slave Narratives in Today's Movement to End Poverty Chapter 12 applies the lessons of the resistance movements of slaves in order to develop effective and strengths based strategies for ending poverty Honoring Philosophical Traditions The Strengths Model and the Social Environment Chapter 14 presents the strongest and clearest relationship between environmental resources and individual strengths in practicing from the strengths perspective Extensive revisions of existing chapters make this a fresh more up to date book that retains the passion and sensibilities of the previous editions but with innovative examples and revised more current bibliographies Don't Miss This Exciting Value Added Option Social Work Skills Demonstrated Beginning Direct Practice CD ROM with Student Manual Second Edition Linda K Cummins Barry University Judith A Sevel Illinois State University Laura Pedrick University of Wisconsin Milwaukee A practical guide to development of crucial social work skills including basic counseling and interviewing techniques in a CD ROM format with companion student manual that allows students to work at their own pace Social Work Skills Demonstrated Beginning Direct Practice CD ROM with Student Manual is available at a discount when packaged with this text 0 205 47316 4

Social Work Practice in Mental Health Abraham Francis, Paula La Rosa, Lakshmi Sankaran, S.P. Rajeev, 2014-11-27 This book represents the sharing of knowledge and experiences that is cross cultural cross disciplinary and across countries It aims bringing to the social work practitioner a wealth of understanding about situations practices and cultures that could not possibly have been experienced first hand about mental health The book provides cross cultural perspectives on recovery strengths based practice mindfulness disaster mental health community mental health and other related aspects These contributions from across the world from different cultures and from vastly different experiences are a celebration of the global practice of social work The series of chapters in this book makes a contribution to a deeper understanding of various facets of social work in mental health The complexities elucidated here can be addressed by embracing the power of teamwork the power of visionary leadership and the power of reflexivity The book offers an opportunity for practitioners to explore all these in detail

Radical Social Work Roy Victor Bailey, Roy Bailey, Mike Brake, 1975 Recession unemployment poverty urban decay delinquency vandalism alienation and inadequacy are everywhere evident in the advanced industrial countries The role of welfare agencies in ameliorating the less pleasant symptoms of western society is widely recognized as crucial to its preservation Social workers the frontline agents of the welfare state may well find that paradoxically the justification of their profession lies in the maintenance of a social and economic system that is the cause of the ills they are employed to confront and to which their everyday experience renders them fundamentally opposed These essays are radical because they explore ways in which social ills may be cured rather than concealed They challenge the relevance and long term effectiveness of received ideas in social work and social work

education many of which remain rooted in the rapacious benevolence of Victorian philanthropy The authors attempt to formulate codes and practices that may provide more realistic solutions to the problems of the socially unfit At the same time they consider the questions that all social workers whether students or professionals radical or neutral must at some stage ask themselves How far can the needs of the single member be subsumed in the interests of his community How far can the requirements of political organization and conscientization of the oppressed override the immediate need to salve the distress of one family or individual How far can the means be sacrificed to the end

Social Justice Theory and Practice for Social Work Lynelle Watts, David Hodgson, 2019-01-01 This book offers a much needed critical overview of the concept of social justice and its application in professional social work practice Social justice has a rich conceptual genealogy in critical theory and political philosophy For students teachers and social workers concerned with empowerment social change and human rights this book provides a guide to the key ideas and thinkers crucial historical developments and contemporary debates about social justice It synthesises interdisciplinary knowledge and offers a new framework for practice including a clear and practical exposition of four domains of skills and knowledge important for social justice informed social work The book also contributes to social work pedagogy by offering a comprehensive set of learning outcomes that can be used to design curriculum teaching and learning and further research into social justice praxis This book provides a range of philosophical and critical perspectives to support and inform social work professional knowledge and skills In its tight knitting together of theory and practice this book links philosophical and moral principles with an understanding of how to engage with social justice in a way that is relevant to social work

[An Introduction to Social Work Practice in Canada](#) Shankar A. Yelaja, 1985

Social Work Practice Carel B. Germain, 1979 Social Work Practice People and Environments advances a theory that embraces every aspect of the field that the psychosocial distress social workers must alleviate can most usefully be seen as an inharmonious fit between the individual or group and the physical and social environments This ecological viewpoint is gaining wide acceptance not only in social work but also in the academic disciplines and in the human service professions of psychiatry nursing education and psychology As a comprehensive guide to the ecological viewpoint Social Work Practice can serve as a basic text for graduate and undergraduate courses in social work practice Carel B Germain and the fourteen contributors to this volume contend that social work practice comprises two complementary functions These are to help clients develop their capacities for growth and adaptation and to help them reshape their environment for a better fit with their needs and aspirations Fourteen case studies illustrate the application of the ecological view in health mental health and child welfare settings and in work with families the aged and delinquent youth

The Lancet, 1936

The SAGE Handbook of Social Work Mel Gray, James Midgley, Stephen A Webb, 2012-07-06 The SAGE Handbook of Social Work is the world's first generic major reference work to provide an authoritative guide to the theory method and values of social work in one volume Drawn from an international field of excellence the contributors each offer a

critical analysis of their individual area of expertise The result is this invaluable resource collection that not only reflects upon the condition of social work today but also looks to future developments

Foundations of Social Work Practice in the Field of Aging Roberta Rubin Greene, 2007 The aging of societies is a global phenomenon In the United States alone the life expectancy for both men and women will continue to increase over the next few decades and with that a population explosion of older adults The dramatic increase in the number and diversity of older adults elevates the visibility of gerontological matters As a result social work practice is becoming more multigenerational thereby demanding social workers regardless of their professional endeavors to be equipped with the most innovative theories and practices to serve older adults and their families This comprehensive text spans the new knowledge and skills required in direct practice areas group work and macro practice It also outlines the Geriatric Social Work Competencies as developed by social work educators necessary to serve the older adult population and suggests how these competencies can be integrated into foundation curriculum Social work educators students practitioners administrators and policymakers will find updated useful information in this text regarding assessment tools cultural influences evidence based practices intervention techniques theoretical examples Individuals are living longer and healthier lives in part because of the extraordinary growth of biomedical knowledge and public health initiatives The confluence of the rapid and large increase of the older population and the exponential increase in the dissemination of knowledge create an imperative for social workers to employ the most recent knowledge in their practice with people living increasingly long lives JoAnn Damron Rodriguez Department of Social Welfare University of California Los Angeles

Social Work Services in Schools Paula Allen-Meares, Robert O. Washington, Betty L. Welsh, 1996 In this book we discuss major concepts policies and practices in the field of social work in schools

Public Welfare News North Carolina State Board of Public Welfare, 1957

Perspectives on Social Casework Helen Harris Perlman, 1971

Readings in Group Work Practice Robert D. Vinter, 1968

Ethical Standards in Social Work Frederic G. Reamer, 2006 This second edition is an in depth analysis of the NASW Code of Ethics It presents an updated overview of relevant literature and the appendix provides examples of challenging ethics cases This practical guide is designed to assist social workers make sound ethical decisions

The Social Environment and Human Behavior Magaly Queralt, 1996 This is the first Human Behavior and Social Environment HBSE book to truly integrate and emphasize multicultural material throughout the chapters and to provide readers with an introduction to the realities of practice with diverse populations It provides comprehensive balanced and in depth coverage of the subject matter rather than using a single theoretical approach

Whispering the Strategies of Language: An Psychological Quest through **Perspectives In Social Work**

In a digitally-driven earth where monitors reign great and quick conversation drowns out the subtleties of language, the profound strategies and psychological subtleties concealed within phrases often move unheard. However, nestled within the pages of **Perspectives In Social Work** a charming fictional treasure pulsating with natural feelings, lies an extraordinary quest waiting to be undertaken. Written by an experienced wordsmith, that enchanting opus encourages readers on an introspective journey, gently unraveling the veiled truths and profound impact resonating within ab muscles cloth of each and every word. Within the emotional depths of this moving evaluation, we can embark upon a sincere exploration of the book is primary themes, dissect their charming writing type, and fail to the powerful resonance it evokes strong within the recesses of readers hearts.
