SPIRITUAL WARFARE: A Struggle for Truth Russell Sharrock, 2007-03-01 Much in the Church is being touted as biblical spiritual warfare even to changing it from being spiritual to be geographical This book critics spiritual warfare teaching comparing it to the Bible and offers a biblically reasoned discussion on spiritual warfare All Authority Joey Shaw, 2016-02-01 Everybody who follows Jesus will encounter a myriad of authorities that directly challenge the authority of Christ These other authorities may be parents teachers bosses presidents institutions religions or ideologies In order to stay firm in devotion to Jesus we must believe that He has supreme authority over all Not partial authority not most authority all authority On the basis of his authority he commissioned his people to go and make disciples among every people group on earth This is an impossible commission if it were not for the promise that he is with them forever The doctrine of the supreme authority of Christ not only upholds the work of the church it is the central message that the church preaches Jesus is Lord is good news Joey Shaw is the International Field Office Director for the Austin Stone Community Church and a regular contributor at Verge Joey and his family live outside the United States where they serve unreached peoples for the glory of Christ **The Spiritual Gifts (Part 1): The Ascension Gifts of Christ and the Functional** Timothy K Williams, 2003-10

Worship Elizabeth A. Welch, 2020-12-15 The Holy Spirit has become a greater focus for attention in Trinitarian theology and in the life of the western church since the rise of Pentecostalism at the beginning of the twentieth century Different understandings of the Holy Spirit have impacted worship in a variety of ways This book looks at look at surprising overlaps in the thinking about relationship between the Holy Spirit and worship between two radically different traditions of the church represented by John Owen from the seventeenth century in England and John Zizioulas from the twentieth twenty first century in Greece Four threads of argument are identified flowing from the unexpected overlap between these two thinkers that are of value for the church today The first is the personal and relational nature of the Triune God drawing the human person into a deeper sense of relational identity The second is the immediacy of the encounter with God through the Holy Spirit in worship The third is the way in which the Holy Spirit leads people into truth The fourth is the transformative nature of the encounter with God in worship which draws people into sharing God s purpose for the transformation of the world

Hawthorne, 1999 *Doing Diaspora Missiology Toward "Diaspora Mission Church"* Luther Jeom Ok Kim, 2016-01-05 In U S Population Projections 2005 2050 Pew Research Center reported that The nation s population will rise to 438 million in 2050 from 296 million in 2005 and fully 82% of the growth during this period will be due to immigrants arriving from 2005 to 2050 and their descendants This shows that it is essential to study and understand how our mission especially in the context of the USA called the nation of immigrants will respond to this huge mobility of immigrant diaspora So far there has been emphasis on doing diaspora missiology however there is no practical implications and application in local church setting Now mission is next door which implies that the ministry of the local church should be emphasized for 21st contemporary mission This book provides detailed frameworks and methods of diaspora missiology within local churches called diaspora mission church According to the Bible all human beings are theologically and spiritually diaspora irrespective of ethnicity because they were banished from the Garden of Eden and scattered around the world in God s judgment Now they walk toward the encounter with Jesus Christ preach the gospel as the seed of Kingdom and finally move toward heaven **International Christian Literature Documentation Project:**
