**Persuasion and Dissuasion in Early Christianity, Ancient Judaism, and Hellenism** Pieter Willem van der Horst, 2003 For those of you who like jargon this book is about propaganda protreptics apologetics and polemics For those of you who don't this is a study of ancient religious discourse and the interaction between different religious groups **Juden und Nichtjuden in Alexandria** Gottfried Schimanowski, 2006 Juda und Samaria Benedikt Hensel, 2016-12-19 La 4e de couverture porte Benedikt Hensel sucht das Verhältnis der samaritanischen JHWH Gemeinde und ihrem jüdischen Pendant in nach exilischer Zeit zu erfassen indem er sämtliche archaische Quellen der Region Samaria in den Blick nimmt und sie vor dem Hintergrund der literarischen Zeugnisse der jüdischen Tradition auswertet Die dabei aufgezeigten religionssoziologischen und theologiegeschichtlichen Entwicklungen zeichnen ein grundlegend anderes Bild als Tradition und moderne Forschung dies taten und tun *Neues Leben in der alten Welt* Dorothee Dettinger, 2017-09-01 Diese Untersuchung stellt dar inwiefern den Christen des späten ersten Jahrhunderts ein neues vom christlichen Glauben bestimmtes Leben innerhalb eines weiterhin nichtchristlichen Umfelds nötig und möglich erschien Dabei werden christliche Orientierungsrichtlinien für das Verhalten von Mann und Frau in der Ehe und für das Verhältnis von Eltern und Kindern vor dem Hintergrund des griechisch-römischen philosophischen Diskurses im mediterranen Raum des 1. Jahrhunderts n. Chr. aufgezeigt Besonders in den Blick genommen werden die bewusst christlich gestalteten Begründungsstrukturen dieser Weisungen mit ihren zugrunde liegenden theologischen Einsichten Hierbei wird deutlich dass diese Begründungsstrukturen auch auf die geforderten Verhaltensweisen zurückwirken und somit in engem Zusammenhang mit dem Inhalt der Weisungen zu sehen sind *New Life in the Old World The Contribution of Early Christian Writings from the Late First Century in the Discourse on Family Structures of the Greco Roman World* Dorothee Dettinger's study is concerned with how Christians of the late first century regarded it as necessary and possible to lead a new faith guided life within a non-Christian context To this end Christian guidelines regarding the relationships between men and women in marriage as well as between parents and their children are discussed on the backdrop of the Greco Roman philosophical discourse in the 1st century Mediterranean In particular the study focuses on the specifically Christian character of the justifications of these guidelines and their underlying theological insights As is shown the structure of these justifications retroacts on the demanded kind of conduct and is thus closely tied to the content of the respective guidelines Bible and Midrash Lieve M. Teugels, 2004 This two part book traces the literary and historic study of the story of the Wooing of Rebekah in the Hebrew Bible and its creative interpretations in Rabbinic Midrash Part 1 treats such issues as the characterization of the narrative agents in the biblical story the use of repetition as a narrative structuring device and the question as to the roles of Rebekah and Isaac in this story as well as in the broader Isaac Rebekah narratives Part 2 follows several rabbinic interpretations of this story dealing with among other topics the development of the motif of Rebekah's virginity in rabbinic aggadah and halakha as well

as the reception of this theme in modern feminist studies of midrash While treating these topics this is at the same time a methodological inquiry into the dynamics of midrashic interpretation treating rabbinic techniques such as gap filling and linkage and its differences from modern biblical exegesis Many Convincing Proofs Stephen S. Liggins, 2016-03-21 While there have been various studies examining the contents of the evangelistic proclamation in Acts and various studies examining from one angle or another individual persuasive phenomena described in Acts e.g. the use of the Jewish Scriptures no individual studies have sought to identify the key persuasive phenomena presented by Luke in this book or to analyse their impact upon the book's early audiences This study identifies four key phenomena the Jewish Scriptures witnessed supernatural events the Christian community and Greco-Roman cultural interaction By employing a textual analysis of Acts that takes into account both narrative and socio-historical contexts the impact of these phenomena upon the early audiences of Acts that is those people who heard or read the narrative in the first decades after its completion is determined The investigation offers some unique and nuanced insights into evangelistic proclamation in Acts persuasion in Acts persuasion in the ancient world each of the persuasive phenomena discussed evangelistic mission in the early Christian church and the growth of the early Christian church **The Rhetoric of the New Testament** Duane F. Watson, 2019-05-21 A new comprehensive bibliography of books and articles on the rhetoric of the New Testament published since AD 1500 The bibliography is arranged by categories which include Jewish heritage invention arrangement style hermeneutics with specific listings for each book of the NT It is prefaced with a select bibliography of primary and secondary sources on classical and modern rhetoric An invaluable research tool **Heilige oder Hure?** Walter Hilbrands, 2007 Die Untersuchung entfaltet die jüdische und christliche Auslegungsgeschichte eines in verschiedener Hinsicht provozierenden Kapitels der Bibel von der Antike bis in die Reformationszeit Die Geschichte von Juda und Tamar in Genesis 38 scheint hierzu besonders geeignet weil sich unterschiedliche literarisch kontextuelle historische ethische und gesamtbiblische Problemfelder auftun Die Analyse der Rezeptionsgeschichte erweist dass die chronologische Einbindung in die Josefgeschichte immer als problematisch betrachtet wurde wenn Judas Enkel 22 Jahre später bei der Übersiedlung nach Ägypten dabei gewesen sein sollen In besonderer Weise wird der Frage nachgegangen warum die Josefgeschichte durch dieses Kapitel unterbrochen wird und welche Funktion es in seinem jetzigen Zusammenhang erfüllt Wie ist das Verhalten Judas und Tamars ethisch bewertet worden Welche Rolle hat dabei gespielt dass Juda und Tamar Vorfahren von David und vom Messias bzw. von Christus sind Dr. Walter Hilbrands stellt die Unterschiede und Gemeinsamkeiten der doppelten Nachgeschichte von Gen 38 übersichtlich dar Allen originalsprachlichen Quellen wird eine Übersetzung beigelegt Besonders die lateinischen Kommentare des Mittelalters werden in diesem Zusammenhang neu erarbeitet und bewertet Ein Ausblick auf die Exegese der Neuzeit erweist in den genannten Fragenkomplexen eine Verarmung gegenüber der reichen und bis heute ertragreichen jüdisch-christlichen Auslegungstradition **Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur**, 2004

*Hoffnung in Bedrängnis* Thomas Söding, 2009      **The Journal of Ecclesiastical History** Clifford William Dugmore, 2005      **Die Anfänge des Christentums** Friedrich Wilhelm Graf, Klaus Wiegandt, 2009      **The Changing Face of Judaism, Christianity, and Other Greco-Roman Religions in Antiquity** Ian H. Most of the articles were presented and discussed at the seminar Early Christianity between Judaism and Hellenism at the Annual Meeting of the European Association of Biblical Studies in Piliscsaba and Budapest Hungary in August 2006 The anthropological quest is still one of the classical approaches in historical critical as well as in other methodological approaches to the New Testament The complexity of anthropological ideas in the New Testament is seldom presented neither explicitly nor in clearly defined terms but rather in stories about human beings or their inter actions and or parenetic teaching that is based on some often unstated presuppositions of what humans are like The different essays in *Anthropology in the New Testament and its Ancient Context* are taking care of this complex situation and address a selection of important problems from the variety of ideas on anthropology in Early Christianity as well as in its Jewish and its Hellenistic context The book does not aim to show a coherent New Testament anthropology as it is to write a coherent New Testament theology but rather tries to present new insights into the complexity of ancient anthropological discourses With that aim the collection includes presentations on the human body and its purity a key feature in many ancient cultures and their anthropological systems questions of purity and impurity on the key anthropological terms *sarks* and *soma* in Paul how a Greco Roman reader would understand Paul's anthropological reasoning Paul's anthropology is also set in relation to Philo's view of humanity Platonic tripartite anthropology is also part of an article analyzing the common elements in the teaching concerning the human soul among Sethian Valentinian and Platonic writers Conversion another kind of adaptation of a Hellenistic philosophical concept to early Christianity different early Christian ideas of the resurrected body and so called sepulchral anthropology are further subjects addressed in the book which finally deals with selected anthropological imagery in the Gospel of John and with anthropological perspectives in Hebrews The book contains contributions by Ida Froehlich Tom Holmen Lorenzo Scornaienchi Martin Meiser George van Kooten Paivi Vahakangas Miguel Herrero de Jauregui Outi Lehtipuu Imre Peres Margareta Gruber and Walter Ubelacker The essays offer some new angles new methodological approaches and important insights relevant to anthropological views in the New Testament

**The Books of Leviticus and Numbers** Thomas Römer, 2008 A long time rather neglected by biblical scholars the books of Leviticus and Numbers have recently after the breakdown of the traditional documentary models shifted into the centre of the pentateuchal research According to the new consensus the Torah came into existence during the Persian period as a founding document of nascent Judaism the books of Leviticus and Numbers contain numerous texts which reflect the very last stages of the formation of the Pentateuch in the Persian period revealing at the same time that an urge was felt for a continuing actualization and interpretation of the mosaic Law This volume contains papers about the books of Leviticus and Numbers presented at the Colloquium Biblicum Lovaniense in 2006 The first part gathers essays dealing with general questions of origin structure and function of Leviticus and Numbers in the whole of the Pentateuch The second part is dedicated to more particular issues of these books covering the fields of textual criticism history of redaction synchronical analysis and reception history With more than 30 papers written by international specialists the present collection is a valuable contribution to the progress of scholarship on these two biblical books

**Freedom in the Gospel** Lincoln E. Galloway, 2004 Paul's question in 1 Cor 9 1 Am I not free provides the initial focus of this study Paul's discourse 1 Cor 9 creatively exhibits his own freedom as subsumed under the ultimate good the gospel in which he shares Paul's vocabulary compulsion willingly and unwillingly rights and freedom ideas and topoi reflect the symbolic universe that he shares with the Cynic Stoic philosophic tradition and the ongoing debates and conversations about freedom in the Corinthian community This study demonstrates that such conversations highlighted issues of divine call identity assignments obligations and exhibition to the world work independence hardship toil and self control and one's attitude to money or wealth Paul's exemplum directs attention to the gospel that transforms his rights entrusts him with a stewardship and extends to him participation in the gospel as a partner With this self understanding Paul appeals to his readers for adherence to the values that he is advocating

**Textual Criticism and the Synoptic Problem in Historical Jesus Research** Hyeon Woo Shin, 2004 The criteria for originality priority and authenticity used in textual criticism the study of the Synoptic Problem and historical Jesus research share one

basic similarity they were all designed to distinguish a prior tradition from its later developments All these areas of research investigate the transmission process which involves both preservation and alteration The sets of criteria used in one area are thus analogous to the sets of criteria used in the other two areas This assumption can be confirmed by observing numerous instances of such similarity in these sets of criteria On the basis of this assumption many other instances of similarity may be newly attained by adapting the set of criteria used in one area for use in the other two areas The sets of criteria for these three areas of research can be further generalized into a mother set of criteria which will provide us with a degree of methodological unification in these disciplines
