Sociology Through the Projector Bulent Diken, Carsten Bagge Laustsen, 2008-10-01 Sociology through the Projector takes issue with the question of how contemporary film can help answering the general abstract but still urgent question what is the social today This book explains the performative relation to contemporary social theory in which cinema functions as a tool for social diagnosis There is much to be learned about social theory through an encounter with films as films are part and parcel of the society they portray Increasingly more lay knowledge about social problems and facts stems from cinema as it offers to large audiences a popular and pedagogical introduction to social knowledge Social theory cannot avoid a critical engagement with cinema as cinema interprets invents displaces and distorts the object of sociological inquiry This book will provide a deeper understanding of contemporary social theory as the chosen films will work as a pedagogical route into contemporary social theory The films represent a mix of European and American blockbusters and more aesthetically orientated films The authors question several dominant topics and concerns within social theory and film studies Firstly by cross examining a series of concepts such as identity representation memory and surveillance filming social behaviour which are of concern to both film theory and social theory Secondly by trying to develop imaginative approaches to standard social concerns such as exclusion gender roles and inequalities power infantilisation and commodification of the social and psychological bonds This book will be a great resource for students and researchers of Sociology Contemporary Social Theory Film Studies and Cultural Studies

It Didn't Mean Anything Alexander N. Howe, 2008-03-17 This critical study of American detective fiction examines the history and development of the detective genre through the lens of psychoanalysis Applying the ideas of French psychoanalyst Jacques Lacan the author identifies and categorizes popular works according to the fictional protagonist's hysteria obsessive neurosis perversion or psychosis The first chapter identifies several instances of hysteria within the fiction of two of the genre's pioneers Edgar Allan Poe and Arthur Conan Doyle Chapter Two traces the development of the hard boiled detective's code of honor through the works of Dashiell Hammett Raymond Chandler and Mickey Spillane identifying the often paradoxical nature of this code and its origins in obsessive neurosis Chapter Three analyzes the anti detective fiction of Philip K Dick in terms of paranoid psychosis and the final chapter returns to the question of hysteria taking up the female hard boiled detectives of author Marcia Muller

Desire and Consent in Representations of Adolescent Sexuality with Adults Maureen Turim, Diane Waldman, 2023-10-02 This book presents an innovative comparative view of how the issue of adolescent sexuality and consent is differently treated in various media Analyzing teenage sexual encounters with adults across a variety of media including films television novels and podcasts the volume takes a positive stance on the expression

of teenage sexuality while remaining sensitive to the power of adults to abuse and manipulate The anthology treats these representations as negotiations between conflicting forces desire sexual self knowledge unequal power and the law the latter both actual legal statutes and internalized law in the philosophical and psychoanalytic sense Questions of unequal power inherent in such relations are theorized The authors examine variations of this configuration of sexual relations between teenagers and adults from different perspectives to consider how various forms of expression rework it formally These essays are attuned to both nuances of presentation and contexts of reception and they consider how aesthetics play a role Contributing to the general debate about the ways that societies construct and regulate adolescent sexuality this book will be of great interest to scholars and students of media studies cultural studies film studies television studies sociology and gender studies

Contemporary Literature and Emergent Space Gregory Dean Nicholson, 2007 *Perversion and the Social Relation* Molly Anne Rothenberg, Dennis A. Foster, Slavoj Žižek, 2003-05-21 Discusses the history representation and theorization of perversion and shows its relevance for understanding social relations especially racism liberalism class antagonism abjection and multiculturalism as well as considering its role in the esta American Book Publishing Record, 1998 What are Perversions? Sergio Benvenuto, 2018 This book explores what we mean when we use the term perversion Are we dealing with a sexological classification a mental disturbance an ethical deviation a hedonistic style or an historical cultural artifact The book retraces some of the fundamental stages in the field of psychoanalytic thought from Freud to Masud Khan Stoller and Lacan and proposes an original approach that paraphilias today are taken as an ethical failure of the sexual relationship with the other The perversions signal a specific relationship with the other who is treated not simply as a sexual object but someone whose subjectivity is ably exploited precisely in order to get a perverse pleasure Acts if considered perverse are understood as a metaphorical re edition of a trauma above all sexual in which the subject as a child suffered the bitter experience of exclusion or jealousy The book articulates an heterodox hypothesis by drawing on clinical cases from both the author s own analytic practice and those of others but it also draws on cinema historical episodes social psychology experiments for example Stanley Milgram s experiment stories and novels and philosophical works The final appendix delves more deeply into Freud s theory of masochism Provided by publisher
