Peter Bialobrzeski Heimat:

Heimat Peter Bialobrzeski, Ariel Hauptmeier, 2005 Essay by Ariel Hauptmeier Preface by Peter Bialobrzeski **Die Zweite Heimat**, 2017-09 Five years ago Peter Bialobrzeski began working on his Second Heimat project following the Heimat of 2005 Switching his navigation system to avoid Autobahn he traveled through Germany in search of answers to his questions How and where do Germans live How do most citizens experience German reality His journeys brought him to small and medium sized towns larger cities and suburbs and city centers His magnificently captured and beautifully composed pictures together with the text by Henning Su ebach about places non places and memories of the German concept of home make a great book about Germany the country and its soul that is hard for foreigners to comprehend 0 More than thirty years after Stephen Shore s publication Uncommon Places I decide to take a trip through Germany on the eve of the twenty fifth anniversary of reunification I try to describe and fathom the country s social terrain Like Walker Evans I m interested in formulating photographically what the present day might look like once it is past And to quote yet another role model I want to see what the country where I ve lived for fifty years looks like in my photographs Peter Bialobrzeski 00Exhibition Deichtorhallen Hamburg Germany 08 09 2017 07 01 2018 further venues planned Experiment Heimat Helene Bukowski, Safiye Can, Sabrina Janesch, Nora Gomringer, Wladimir Kaminer, Lütfiye Güzel, Sharon Dodua Otoo, Najem Wali, 2022-03 Heimat Burcu Dogramaci, 2015-11-25 Heimat ist ein in der deutschen Sprache verorteter Begriff Eine bersetzung in andere Sprachen f llt schwer ist bisweilen unmglich Seit dem 19 Jahrhundert hat sich Heimat zu einer emotional gefassten und politisch aufgeladenen Bezeichnung entwickelt und besonders in der Zeit des Nationalsozialismus als politisch instrumentalisierte Vorstellung vom kulturell und territorial Eigenen neue Brisanz erhalten Burcu Dogramaci begibt sich auf die Suche nach der Prsenz und Bedeutung von Heimat in der Kunst seit den 1960er Jahren In Auseinandersetzung mit Heimattheorien und literarischen Texten beleuchtet sie die vielf ltigen Bedeutungen und Deutungen von k nstlerisch wie fotografisch reflektierter Heimat Sie ordnet auch die Kehr und Gegenbilder von Heimat die vielen k nstlerischen Arbeiten eingeschrieben sind in einen greren kulturgeschichtlichen und zeithistorischen Zusammenhang ein Dabei fordert die Autorin keine wehm tige Aufwertung von Heimat ein Im Gegenteil sie regt an Heimat im Kontext globaler Migrationsph nomene und Entgrenzungen neu in den Blick zu nehmen **Gaps and the Creation of Ideas** Judith Seligson, 2021-03-08 Gaps and the Creation of Ideas An Artist s Book is a portrait of the space between things whether they be neurons quotations comic book frames or fragments in a collage This twenty year project is an artist s book that juxtaposes quotations and images from hundreds of artists and writers with the author s own thoughts Using Adobe InDesign for composition and layout the author has structured the book to show analogies among disparate texts and images There have always been gaps but a focus on the space between things is virtually synonymous with modernity Often characterized as a break modernity is a story of gaps Around 1900 many independent strands of gap thought and experience interacted and

interwove more intricately Atoms textiles theories women Jews collage poetry patchwork and music figure prominently in these strands The gap is a ubiquitous phenomenon that crosses the boundaries of neuroscience rabbinic thinking modern literary criticism art popular culture and the structure of matter This book explores many subjects but it is ultimately a work of art
