Peter Alliss My Autobiography:

Peter Alliss - My Autobiography - Signed Peter Alliss,2004-10-11 **Peter Alliss-My Autobiography** Peter Alliss,2005-06-01 Peter Alliss has spent his entire life steeped in golf He won 23 major tournaments in all his most memorable achievement being in 1958 when he won the Italian Spanish and Portuguese Open Championships in three successive weeks He was voted by Golf Digest as The Best Golf Commentator Ever This is his autobiography **Peter Alliss** Peter Alliss,2005 **Draw in the Dunes** Neil Sagebiel,2014-09-09 From the author of the critically acclaimed golf history The Longest Shot Neil Sagebiel s Draw in the Dunes is the gripping account of a legendary Cup competition and the story of golf s greatest act of sportsmanship In 1969 the 42 year history of biennial golf matches between the United States and Great Britain reached its climax The U S led by Jack Nicklaus had dominated competitive golf for years Great Britain led by Tony Jacklin was the undisputed underdog But in spite of having lost 14 of 17 Ryder Cups in the past the British entered the 1969 Ryder Cup as determined as the Americans were dominant What followed was the most compelling controversial and contentious Ryder Cup the sport had ever seen Draw in the Dunes is a story of personal and professional conflict from the nervousness displayed at the very beginning of the Ryder Cup matches when one man could not tee his golf ball to the nerve displayed by Nicklaus and Jacklin who battled each other all the way to the final moment of the final match Throughout the Cup 17 of the 32 matches were not decided until the final hole Most electrifying was Nicklaus and Jacklin s contest which decided the fate of the Ryder Cup At the last putt Nicklaus conceded to Jacklin keeping the cup for the Americans while letting the British walk away with their most successful Ryder Cup result in years From this event which came to be known as The Concession Nicklaus and Jacklin forged a lifelong friendship and ushered in a new era of golf **My Autobiography** Murray Walker,2002 The voice of motor racing and the man responsible for introducing millions of viewers to the previously inaccessible world of Formula 1 tells the story of his incident packed life Murray Walker is an institution When the man who made famous the catchphrase Unless I m very much mistaken I AM very much mistaken announced that he was retiring as ITV s Grand Prix commentator at the end of the 2001 season the media reacted as if the sport itself was losing one of its biggest stars His reputation for mistakes was the making of Walker He was the fan who happened to be given the keys to the commentary box and never wanted to give them back His high octane delivery kept viewers on the edge of their seats while his passion for talking about the sport he loved was matched by an all encompassing knowledge gained through hours of painstaking research before every race In fact he s a throwback to another age who managed to survive and indeed prosper from the revolutions in motor racing In his book he writes about his childhood and the influence that his father British motorcycle champion Graham Walker had on his career Failing to match his father s achievements on the track he made a successful career for himself in advertising which catapulted him to the top of his profession An offer from the BBC to take over the commentary seat for their F1 broadcasts was manna from heaven for Walker and it wasn t long before the infamous

Murrayisms enlivened a sport which until then had been shrouded in a cloak of unfathomable technical jargon and mind numbing statistics He also talks about the biggest changes in the sport over the last 50 years in particular the safety issues which came to the fore after the tragic death of Ayrton Senna His partnership with James Hunt behind the microphone is the subject of some hilarious anecdotes while his views on drivers such as Damon Hill Jacques Villeneuve Eddie Irvine and David Coulthard make for fascinating reading

Tapestry of Memory Nanci Adler, Selma Leydesdorff, 2013-08-20 In this volume contributors present narratives and explore the way they influence the perception of the past While acknowledging the debate about the validity of qualitative research based on narratives this volume aims to illuminate how truth and evidence form part of a much wider debate on the representation of history The volume includes the work of historians but the interdisciplinary nature of the contributions shows that the validity debate also applies to the broader fields of cultural studies sociology and other social sciences The distinction between memory and testimony is a crucial theme Memory though selective is the basis of testimony Testimony provides an audience with information that becomes evidence of what was seen or experienced Such evidence can form the basis of legal truth Nanci Adler and Selma Leydesdorff divide the volume into three core sections Official Testimony and Other Facts and Evidence The Creation of New History and the Integration of Collective Memory in the Story of One's Self and Claims Based on Narratives vs Official History After a comprehensive introduction by the editors the volume offers twelve essays by leading scholars This work is a new offering in Transaction's acclaimed Memory and Narrative series
