Arts and Community Change Max O. Stephenson Jr., Scott Tate, 2015-05-15 Arts and Community Change Exploring Cultural Development Policies Practices and Dilemmas addresses the growing number of communities adopting arts and culture based development methods to influence social change Providing community workers and planners with strategies to develop arts policy that enriches communities and their residents this collection critically examines the central tensions and complexities in arts policy paying attention to issues of gentrification and stratification Including a variety of case studies from across the United States and Canada these success stories and best practice approaches across many media present strategies to design appropriate policy for unique populations Edited by Max Stephenson Jr and A Scott Tate of Virginia Tech

Arts and Community Change presents 10 chapters from artistic and community leaders essential reading for students and practitioners in economic development and arts management

Performing Arts Center Management Patricia Dewey Lambert, Robyn Williams, 2016-11-03 Performing arts centers PACs are an integral part of the cultural and creative industries significantly influencing the cultural social and economic vitality of communities around the world Virtually all PACs are community based and serve the public interest whether structured as a public nonprofit for profit or hybrid entity However there is a lack of knowledge about the important community role of performing arts centers especially those that mainly host and present work produced by other arts organizations This gap is startling given the ubiquitous presence of PACs in urban centers small communities as well as colleges and universities This co edited reference book provides valuable information at the intersection of theory and practice in the professional field of executive leadership of performing arts centers Drawing on the expertise of leading academics consultants and executives this book focuses on institutions and practices in the United States and is contextualized within additional fields such as cultural planning urban revitalization and economic development Performing Arts Center Management aims to provide valuable theoretical conceptual empirical and practice based information to current and future leaders in creative and cultural industries management It serves as a unique reference for researchers university students civic leaders urban planners public venue managers and arts administrators aspiring to improve or advance their work in successfully managing performing arts centers

Networked Feminism Rosemary Clark-Parsons, 2022-06-14 Networked Feminism tells the story of how activists have used media to reconfigure what feminist politics and organizing look like in the United States Drawing on years spent participating in grassroots communities and observing viral campaigns Rosemary Clark Parsons argues that feminists engage in a do it ourselves feminism characterized by the use of everyday media technologies Faced with an electoral system and a history of collective organizing that have failed to address complex systems of oppression do it ourselves feminists do not rely on political organizations institutions or authorities Instead they use digital networks to build movements that reflect their values and meet the challenges of the current moment all the while juggling the advantages and limitations of their media tools Through its practitioner centered approach this book sheds light on feminist media activists shared struggles and best practices at a time when collective organizing for social justice has become more important than ever
