Personal Nixon Staying In The Summit

Edward W. Knappman

Personal Nixon Staying In The Summit:

Nixon's Shadow David Greenberg, 2017-07-03 How an image obsessed president transformed the way we think about politics and politicians To his conservative supporters in 1940s southern California Richard Nixon was a populist everyman to liberal intellectuals of the 1950s he was Tricky Dick a devious manipulator to 1960s radicals a shadowy conspirator to the Washington press corps a pioneering spin doctor to his loyal Middle Americans a victim of liberal hatred to recent historians an unlikely liberal Nixon's Shadow rediscovers these competing images of the protean Nixon showing how each was created and disseminated in American culture and how Nixon's tinkering with his own image often backfired During Nixon's long tenure on the national stage and through the succession of new Nixons so brilliantly described here Americans came to realize how thoroughly politics relies on manipulation Since Nixon it has become impossible to discuss politics without asking What is the politician's real character How authentic or inauthentic is he What image is he trying to project More than what Nixon did this fascinating book reveals what Nixon meant

Nixon's First Cover-up H. Larry Ingle, 2015-07-07 Have you ever thought you completely knew a story inside and out only to see some new information that shatters what you had come to accept as unquestioned fact Well Richard Nixon is that story and Nixon's First Cover up is that new information With few exceptions the religious ideologies and backgrounds of U S presidents is a topic sorely lacking in analysis H Larry Ingle seeks to remedy this situation regarding Nixon one of the most controversial and intriguing of the presidents Ingle delves more deeply into Nixon's Quaker background than any previous scholar to observe the role Nixon's religion played in his political career Nixon's unique and personally tailored brand of evangelical Quakerism stayed hidden when he wanted it to but was on display whenever he felt it might help him advance his career in some way Ingle's unparalleled knowledge of Quakerism enables him to deftly point out how Nixon bent the traditional rules of the religion to suit his needs or in some cases simply ignored them entirely This theme of the constant contradiction between Nixon's actions and his apparent religious beliefs makes Nixon's First Cover up truly a groundbreaking study both in the field of Nixon research as well as the field of the influence of religion on the U S presidency Forty years after Nixon's resignation from office Ingle's work proves there remains much about the thirty seventh president that the American public does not yet know

Religion in the Oval Office Gary Scott Smith, 2015-02-27 In his highly praised book Faith and the Presidency Gary Scott Smith cast a revealing light on the role religion has played in presidential politics throughout our nation's history offering comprehensive even handed examinations of the role of religion in the lives politics and policies of eleven presidents Now in Religion in the Oval Office Smith takes on eleven more of our nation's most interesting and influential chief executives John Adams James Madison John Quincy Adams Andrew Jackson William McKinley Herbert Hoover Harry Truman Richard Nixon George H W Bush Bill Clinton and Barack Obama Drawing on a wide range of sources and paying close attention to historical context and America's shifting social and moral values he examines their religious beliefs commitments affiliations and practices and scrutinizes

their relationships with religious leaders and communities The result is a fascinating account of the ways in which religion has helped shape the course of our history From John Quincy Adams treatment of Native Americans to Harry Truman s decision to recognize Israel to Bill Clinton s promotion of religious liberty and welfare reform to Barack Obama s policies on poverty and gay rights Smith shows how strongly our presidents religious commitments have affected policy from the earliest days of our nation to the present Together with Faith and the Presidency Religion in the Oval Office provides the most comprehensive examination of the inseparable and intriguing relationship between faith and the American presidency This book will be invaluable to anyone interested in the presidency and the role of religion in politics **The President and I**

Baruch Korff,1995 The Watergate cover up polarized the nation and forced Richard Nixon out of the White House This unprecedented event was a watershed in American history a President reelected by a huge majority had to resigned in disgrace several presidential aides went to prison the Republican Party was discredited and weakened the country was torn apart and perhaps most important the credibility of all subsequent Presidents and indeed of government itself was impeached in the eyes of many Intimately involved in these events as trusted friend advisor and confidant of Nixon was Rabbi Baruch Korff dubbed Nixon s rabbi in the news media In 1973 Korff founded the National Citizens Committee for Fairness to the Presidency The following year he founded the President Nixon Justice Fund and the United States Citizens Congress He became a member of the inner circle at the White House and remained close to Nixon after he left office Publisher
