Personal Prophecy:

My Zoe Valerie James,2015-07-10 This is a compelling adventure about a black woman born in Michigan in the mid 1950s and as a child surviving accidents after accidents that could have been tragedy to her life but by her strong will and deep rooted faith she managed to triumph though it all It tells about her struggle to raise her children as a single parent her bad relationships with her men friends and childrens fathers divorce Church involvement and the love for Jesus that kept her from falling apart and held it all together Dealing with not being accepted as a person or measuring up to her full potentials but still managed to accomplish her goals and kept a positive attitude compassion and the belief that you can be what and who you set your mind out to be

The Code Cannot be Broken Christina Burke,2015-07-13 There is a growing intuitive knowing by Christians around the world that the return of the Lord Jesus Christ for His church is near Yet for much of the Christian church today the recognizable presence and power of God is largely absent The Code Cannot Be Broken provides scriptural insight into the keys to every believer walking in intimate relationship with God by the ongoing work of the Holy Spirit This book explains the working of the Holy Spirit in communicating the language and counsels of God which flow so freely from Him to us Having come from a family of Navajo code talkers Christina Burke has employed the striking parallel of the unbroken Navajo code used so effectively during World War II in the Pacific to illustrate the infallibility of the communication gift of the Spirit By way of the Creator Spirit is revealed the secret mysteries that manifest the presence and power of the Living God With this comes specific instruction and direction so desperately needed to navigate the perilous times in which we live

The Glorious Church's Birth Bill Vincent,2023-05-23 Bill Vincent paints a very vivid image of a rising tremendous army empowered and equipped by the power of the Holy Spirit in this magnificent book which was birthed out of the undeniable revival fire that is blazing right now in all parts of his ministry according to Bill Vincent Also explored in depth in this book is the mystery surrounding these exploding levels of the Holy Spirit s action in our lives As you walk in trust and submit to God s call in your life you will experience unprecedented favor My experience indicates that the gift of God within you will create space for your vision and your vision will create space for the gift of God within you Each visionary leader endowed by God with the capacity to hear from God in order to comprehend and properly carry out vision God endows His leaders with wisdom and judgment enabling them to determine how when and what decisions to make Because the Lord appointed me sovereignly to the work He also bestowed upon me the wisdom to know what to do and when to accomplish it The only way vision may be fully realized is for God s designated leader to completely devote his or her life to Christ s sovereign rulership Preparation and pruning of my heart were critical components of being prepared for the dependence of what God had in store for me Pioneering construction in uncharted area should be undertaken with the grace and wisdom that come from complete reliance on God and trust in His capacity to keep His promises in and to us

Following the Oil J. Faraja Kafela,2017-02 Following the Oil is about doing things God s way God is bringing the church to a place where we see

the importance of following the oil according to the Word God's way is always for us to act on what we can do in the natural and He will accomplish in the supernatural what we cannot By following the guidance of the Holy Spirit and the oil of God's Word we too can encounter the miraculous promises God has bestowed to us as blessings for us to acquire and achieve
