**Personal Forces in Modern Literature** Arthur Compton-Rickett, 1972      Essay and General Literature Index Minnie Earl Sears, Marian Shaw, 1931      **Personal Forces in Modern Literature** Arthur Compton-Rickett, 2016-05-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

**Routledge Handbook of Private Security Studies** Rita Abrahamsen, Anna Leander, 2015-10-08 This new Handbook offers a comprehensive overview of current research on private security and military companies, comprising essays by leading scholars from around the world. The increasing privatization of security across the globe has been the subject of much debate and controversy, inciting fears of private warfare and even the collapse of the state. This volume provides the first comprehensive overview of the range of issues raised by contemporary security privatization, offering both a survey of the numerous roles performed by private actors and an analysis of their implications and effects. Ranging from the mundane to the spectacular, from secretive intelligence gathering and neighbourhood surveillance to piracy control and warfare, this Handbook shows how private actors are involved in both domestic and international security provision and governance. It places this involvement in historical perspective and demonstrates how the impact of security privatization goes well beyond the security field to influence diverse social, economic and political relationships and institutions. Finally, this volume analyses the evolving regulation of the global private security sector. Seeking to overcome the disciplinary boundaries that have plagued the study of private security, the Handbook promotes an interdisciplinary approach and contains contributions from a range of disciplines including international relations, politics, criminology, law, sociology, geography and anthropology. This book will be of much interest to students of private security, companies, global governance, military studies, security studies and IR in general.

**The New York Intellectuals Reader** Neil Jumonville, 2013-10-31 In the early 1930s, in a small alcove at City College in New York, a group of young, passionate and politically radical students argued for hours about the finer points of Marxist doctrine, the true nature of socialism, and whether or not Stalin or Trotsky was the true heir to Lenin. These young intellectuals went on to write for and found some of the most well-known political and literary journals of the 20th century, such as *The Masses*, *Politics*

Partisan Review Encounter Commentary Dissent and The Public Interest Figures such as Daniel Bell Nathan Glazer Sidney Hook Susan Sontag Dwight MacDonald and Seymour Lipset penned some of the most important books of social science in the mid twentieth century They believed above all else in the importance of argument and the power of the pen They were a vibrant group of engaged political thinkers and writers but most importantly they were public intellectuals committed to addressing the most important political social and cultural questions of the day Here with helpful head notes and a comprehensive introduction by Neil Jumonville The New York Intellectuals Reader brings the work of these thinkers back into conversation     **The Reference Catalogue of Current Literature** ,1910     *Approaches to the Study of*
