**Miranda Fricker, Jennifer Hornsby**

## **Personal Identity International Research Library Of Philosophy:**

Personal Identity, the Self, and Ethics F. Santos, Santiago Sia, 2007-08-16 Going beyond the controversy surrounding personhood in non philosophical contexts this book defends the need for a credible philosophical conception of the person Engaging with John Locke Derek Parfit and P F Strawson the authors develop an original philosophical anthropology based on the work of Charles Hartshorne and A N Whitehead

The Cambridge Companion to Feminism in Philosophy Miranda Fricker, Jennifer Hornsby, 2000-01-27 The thirteen specially commissioned essays in this volume are written by philosophers at the forefront of feminist scholarship and are designed to provide an accessible and stimulating guide to a philosophical literature that has seen massive expansion in recent years Ranging from history of philosophy through metaphysics to philosophy of science they encompass all the core subject areas commonly taught in anglophone undergraduate and graduate philosophy courses offering both an overview of and a contribution to the relevant debates Together they testify to the intellectual value of feminism as a radicalizing energy internal to philosophical inquiry This volume will be essential reading for any student or teacher of philosophy who is curious about the place of feminism in their subject

*God, Freedom and Immortality* Jonathan Harrison, 2018-12-21 Published in 1999 this text offers a comprehensive treatment of the Philosophy of Religion Its overall conclusions are that though there is no reason to suppose there is a God doing something that is not quite believing in god who as some mystics think neither exists nor does not exist may be valuable for some people

**Die Einheit des Individuums** Friedemann Buddensiek, 2012-02-13 Einzelne Lebewesen fassen wir als Individuen auf die ber die Zeit hin Einheit besitzen und sich ver ndern k nnen Doch wie k nnen sie Einheit besitzen wenn sie sich ver ndern Diese seit der Antike diskutierte ontologische Frage beantwortet Friedemann Buddensiek mit der These Individuen sind Funktionsgef ge Teil eines solchen gegebenenfalls ver nderlichen Gef ges ist was das Gef ge bildet und was durch Interaktion und Kooperation mit anderen Teilen zu dessen Selbst ndigkeit beitr gt In der Koh renz des Gef ges besteht die Einheit des Individuums Die systematisch ausgerichtete Studie zeichnet sich durch ihre methodologische und empirische Absicherung ebenso aus wie durch die Zusammenf hrung von Diskussionen etwa zur Spezies zur Vagheit zur Reduktion zur Emergenz und zur Funktion

*Virtuous Thoughts: The Philosophy of Ernest Sosa* John Turri, 2013-03-14 This collection is a major contribution to the understanding and evaluation of Ernest Sosa s profound and wide ranging philosophy in epistemology and beyond A balanced fair and critical volume it offers a sensitive appreciation of his wide philosophical purview a nuanced assessment of the detail of his thought and a spur to exploring the linkages between the varied topics explored by the subtle mind of this great American scholar The papers explore a wealth of Sosa s academic interests including his work on philosophical method the philosophy of mind and language metaphysics and value theory in addition to his output on epistemology itself It offers for example a rebuttal of the counterarguments to Sosa s reliabilist theory of introspective justification which itself concludes with some objections to Sosa s stated views on the speckled hen problem Other authors

track the connections of his virtue theory to his advocacy of bi level epistemology provide reflections on Sosa's views on the epistemological tradition and examine the nexus of his beliefs on intuition and philosophical methodology This volume is an insightful reckoning of Sosa's academic account      **The Limits of Logic** Stewart Shapiro, 2016-12-05 The International research Library of Philosophy collects in book form a wide range of important and influential essays in philosophy drawn predominantly from English language journals Each volume in the library deals with a field of enquiry which has received significant attention in philosophy in the last 25 years and is edited by a philosopher noted in that field      **Agency, Freedom and Choice** Constanze Binder, 2019-03-29 In this book Binder shows that at the heart of the most prominent arguments in favour of value neutral approaches to overall freedom lies the value freedom has for human agency and development Far from leading to the adoption of a value neutral approach however ascribing importance to freedom's agency value requires one to adopt a refined value based approach Binder employs an axiomatic framework in order to develop such an approach She shows that a focus on freedom's agency value has far reaching consequences for existing results in the freedom ranking literature it requires one to move beyond a person's given all things considered preferences to the values underlying a person's preference formation Furthermore it requires as Binder argues one to account only for those differences between choice options which really matter to people Binder illustrates the implications of her analysis for the evaluation of public policy and human development with the capability approach only if sufficient importance is ascribed to freedom's agency value can the capability approach keep its promises      **Die Entdeckung der Person** Theo Kobusch, 1997 Das Buch stellt die vergessene Tradition der Lehre vom moralischen Sein dar in deren Mittelpunkt die durch Freiheit ausgezeichnete menschliche Person steht      Identity Harold W. Noonan, 1993 This philosophical work on identity encompasses material on the counterparts of persons and their bodies contingent identity vague objects properties and causality Chisholm's paradox and meteorological essentialism and conjunctivism      **Bibliographic Index**, 1999

**American Book Publishing Record Cumulative 1998** R R Bowker Publishing, 1999-03      *The Ontology of Science* John Worrall, 1994 In this work the problem of scientific ontology is applied to the general issue of scientific realism In addition particular ontological issues raised by particular theories or fields are explored      *Consciousness* Frank Jackson, 1998 A collection of major philosophical articles on the problem of consciousness      **The Existence of God** Richard M. Gale, Alexander R. Pruss, 2003 The latter third of the 20th century has seen the philosophical defence of theism many philosophers were caught off guard because they assumed that metaphysics and theology had been dealt with Moreover the leaders of this renaissance were analytically rooted philosophers Upon examination however it is clear that significant developments in philosophical theism historically have come upon the heels of breakthroughs in the core areas of philosophy concerning meaning logic and scientific methodology cornerstones of analytic philosophy This volume attempts to document this golden era of analytical theism      Personal Identity Harold Noonan, 2019-02-21 Who am I What is a person

What does it take for a person to persist from one time to another What is the relation between the mind and the body These are just some of the questions that constitute the problem of personal identity one of the oldest and most fundamental of philosophical questions *Personal Identity* Third Edition is a clear and comprehensive introduction to these questions and more Harold Noonan places the problem of personal identity in the context of more general puzzles about identity discussing the major historical theories and more recent debates The book also includes essential historical and philosophical background to the problem of personal identity as found in the arguments of Locke Reid and Hume among others The third edition of *Personal Identity* has been thoroughly reviewed in light of advances in the latest literature and research This includes significant revision to the important problems of the simple and complex distinction and its relation to reductionism temporal parts and the distinction between perdurance and endurance theorists Noonan also includes an up to date examination of personal identity and memory and personal identity and animalism particularly the work of Shoemaker Parfit Olson and hybrid theorists Including helpful chapter summaries and annotated further reading at the end of each chapter *Personal Identity* Third Edition is essential reading for all students of philosophy of mind and metaphysics as well as students interested in ethics

*A Priori Knowledge* Albert Casullo, 1999 Tackling some of the issues concerning a priori knowledge this book attempts to identify the primary epistemological issues and explore the relationships among them Four main questions are tackled what is a priori knowledge is there a priori knowledge what is the relationship between the a priori and the necessary and what is the relationship between the a priori and the analytic

*Knowledge and Justification* Ernest Sosa, 1994

*British Book News* British Council, 1993 Includes no 53a British wartime books for young people

**The British National Bibliography** Arthur James Wells, 2002

*Public Reason* Fred D'Agostino, Gerald F. Gaus, 1998 The essays that make up this volume explore the idea of public reason The task of identifying a distinctively public reason has become pressing in our deeply pluralistic society just because doubt has arisen whether what is good reasoning for one must be good reasoning for all Examining the theories of Hobbes and Kant and also using more recent work such as the comments and theories of John Rawls and David Gauthier this book explores aspects of the idea of public reason It explains public reason and discusses areas such as pluralism reasonable disagreement moral conflict political legitimacy public justification and post modernism

## **Personal Identity International Research Library Of Philosophy Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Personal Identity International Research Library Of Philosophy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Personal Identity International Research Library Of Philosophy has opened up a world of possibilities. Downloading Personal Identity International Research Library Of Philosophy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Personal Identity International Research Library Of Philosophy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Personal Identity International Research Library Of Philosophy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Personal Identity International Research Library Of Philosophy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Personal Identity International Research Library Of Philosophy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Personal Identity International Research Library Of Philosophy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

## **FAQs About Personal Identity International Research Library Of Philosophy Books**

1. Where can I buy Personal Identity International Research Library Of Philosophy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Personal Identity International Research Library Of Philosophy book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
