Personal Journal:

Autobiography as a Writing Strategy in Postcolonial Literature Benaouda Lebdaï, 2015-02-05 Autobiography a fully recognised genre within mainstream literature today has evolved massively in the last few decades particularly through colonial and postcolonial texts By using autobiography as a means of expression many postcolonial writers were able to describe their experiences in the face of the denial of personal expression for centuries This book is centred around the recounting and analysis of such a phenomenon Literary purists often reject autobiography as a fully fledged literary genre perceiving it rather as a mere life report or a descriptive diary The colonial and postcolonial autobiographical texts analysed in this book refute such perceptions and demonstrate a subtle combination of literary qualities and the recounting of real life experiences This book demonstrates that colonial and postcolonial autobiographical texts have established their literarity The need for postcolonial authors to express themselves through the I and the me as subjects and not as objects is the essence of this book and confirms that self affirmation through autobiographical writing is indeed an art form Window on Congress James S. Fleming, 2004 Jones expressed the opinion of many when he observed that Barber Conable was just about everybody's idea of what a congressman should be **Romney** McKay Coppins, 2024-09-24 NEW YORK TIMES BESTSELLER In this illuminating and scoop rich biography the tell all tales rush forth Los Angeles Times offering a penetrating analysis of the ongoing Republican civil war through the eyes of one of its last embattled centrists Publishers Weekly Few figures in American politics have seen more and said less than Mitt Romney An outspoken dissident in Donald Trump's GOP he has made headlines in recent years for standing alone against the forces he believes are poisoning the party he once led Romney was the first senator in history to vote to remove from office a president of his own party When that president's supporters went on to storm the US Capitol Romney delivered a thundering speech from the Senate floor accusing his fellow Republicans of stoking insurrection Despite these moments of public courage Romney has shared very little about what he's witnessed behind the scenes over his three decades in politics in GOP cloakrooms and caucus lunches in his private meetings with Donald Trump and his family in his dealings with John McCain George W Bush Barack Obama Joe Biden Mitch McConnell Joe Manchin and Kyrsten Sinema Now Romney provides a window to his most private thoughts Based on dozens of interviews with Romney his family and his inner circle as well as hundreds of pages of his personal journals and private emails this in depth portrait by award winning journalist McKay Coppins shows a public servant authentically wrestling with the choices he has made over his career In lively revelatory detail the book traces Romney's early life and rise through the ranks of a fast transforming Republican Party and exposes how a trail of seemingly small compromises by political leaders has led to a crisis in democracy A rare feat in modern day political reporting The New Yorker Romney A Reckoning is a redemptive story about a complex politician who summoned his moral courage just as fear and divisiveness were overtaking American life Becoming Judy Chicago Gail Levin, 2018-10-16 Born to Jewish radical parents in Chicago in 1939 Judy

Cohen grew up to be Judy Chicago one of the most daring and controversial artists of her generation Her works once disparaged and misunderstood by the critics have become icons of the feminist movement earning her a place among the most influential artists of her time In *Becoming Judy Chicago* Gail Levin gives us a biography of uncommon intimacy and depth revealing the artist as a person and a woman of extraordinary energy and purpose Drawing upon Chicago's personal letters and diaries her published and unpublished writings and more than 250 interviews with her friends family admirers and critics Levin presents a richly detailed and moving chronicle of the artist's unique journey from obscurity to fame including the story of how she found her audience outside of the art establishment Chicago revolutionized the way we view art made by and for women and fundamentally changed our understanding of women's contributions to art and to society Influential and bold *The Dinner Party* has become a cultural monument *Becoming Judy Chicago* tells the story of a great artist a leader of the women's movement a tireless crusader for equal rights and a complicated vital woman who dared to express her own sexuality in her art and demand recognition from a male dominated culture

The Book of Forgiving Desmond Tutu, Mpho Tutu, 2014-03-18 Archbishop Desmond Tutu Nobel Peace Prize winner Chair of The Elders and Chair of South Africa's Truth and Reconciliation Commission along with his daughter the Reverend Mpho Tutu offer a manual on the art of forgiveness helping us to realize that we are all capable of healing and transformation Tutu's role as the Chair of the Truth and Reconciliation Commission taught him much about forgiveness If you asked anyone what they thought was going to happen to South Africa after apartheid almost universally it was predicted that the country would be devastated by a comprehensive bloodbath Yet instead of revenge and retribution this new nation chose to tread the difficult path of confession forgiveness and reconciliation Each of us has a deep need to forgive and to be forgiven After much reflection on the process of

forgiveness Tutu has seen that there are four important steps to healing Admitting the wrong and acknowledging the harm
Telling one s story and witnessing the anguish Asking for forgiveness and granting forgiveness and renewing or releasing the
relationship Forgiveness is hard work Sometimes it even feels like an impossible task But it is only through walking this
fourfold path that Tutu says we can free ourselves of the endless and unyielding cycle of pain and retribution The Book of
Forgiving is both a touchstone and a tool offering Tutu s wise advice and showing the way to experience forgiveness
Ultimately forgiving is the only means we have to heal ourselves and our aching world *Nineteenth Century and After*
