

The reality is that you will grieve forever. You will not "get over" the loss of a loved one; you will learn to live with it. You will heal and you will rebuild yourself around the loss you have suffered. You will be whole again, but you will never be the same. Nor should you be the same. Nor would want too.

Elisabeth Kübler-Ross & David Kessler  
From *On Grief and Grieving*

"Each one of us has lived through some devastation, some loneliness, some weather superstorm or spiritual superstorm. When we look at each other we must say, I understand. I understand how you feel, because I have been there myself. We must support each other and empathize with each other because each of us is more alike than we are unlike."
