perpetrator narrators Such works draw readers directly into the perpetrator's experience and at the same time impede their access to the perpetrator's consciousness by retarding their affective connection Demonstrating that recent fiction featuring perpetrators as narrators employs strategies derived from earlier nonfictional portrayals McGlothlin establishes not only a historical connection between these two groups of texts whereby nonfictional engagement with real life perpetrators gradually gives way to fictional exploration but also a structural and aesthetic one The book bespeaks new modes of engagement with ethically fraught questions raised by our increasing willingness to consider the events of the Holocaust from the perspective of the perpetrator Students scholars and readers of Holocaust studies and literary criticism will appreciate this closer look at a historically taboo topic
