Orientalism and the Postcolonial Predicament Carol A. Breckenridge, Peter van der Veer, 1993 This book explores the ways in which colonial administrators constructed knowledge about the society and culture of India and the processes through which that knowledge has shaped past and present Indian reality

Energy and Environmental Outlook for South Asia Muhammad Asif, 2020-12-28 South Asia constitutes a key geography in the world today considering its large population and related daunting energy and environmental challenges Many countries in the region are faced with a growing gap between energy demand and local resources resulting in an increased dependence on imports According to the International Energy Agency IEA the energy demand in South Asia will grow at a rate more than double that of the world average in the coming decades This book addresses the critical subject of energy and environmental outlook for South Asia and presents the wider challenges and the responses at the national and regional level Features Discusses and addresses the ongoing energy and environmental challenges faced by almost a quarter of the global population Includes dedicated chapters for each country and presents analysis and recommendations by regional experts Examines how deteriorating air quality and persistent natural disasters are severe environmental challenges for the region Discusses the implications of global warming and climate change for South Asia Includes practical case studies throughout Energy and Environmental Outlook for South Asia will benefit a wide range of stakeholders from various fields including but not limited to energy environment economics national security and sustainable development It also serves as a valuable resource for academics researchers analysts policymakers and representatives of utilities industry professional bodies financial institutions think tanks and developmental organizations to better plan their initiatives activities and policies It will help countries in the region and also those around the world by learning from shared experience and ideally by

collaborating for energy and environmental prosperity **Fractured States** Sanjoy Bhattacharya, Mark Harrison, Michael Worboys, 2005 This work provides a well rounded history of official smallpox measures and their links with the development of public health in policies and programmes in British India It examines vaccination policy and technology from a political economic and technical perspective as well as the cultural and religious implications of medical intervention in smallpox eradication There is an exposition of the complex and sometimes contradictory official and civilian attitudes toward the development of smallpox control and public health measures in India **Liberal Perspectives for South Asia** Rajiva Wijesinha, 2009 *Global Perspectives on China's Belt and Road Initiative* Florian Schneider, 2020-12-18 2013 saw the launch of the largest most influential investment initiative in recent memory China's Belt and Road Initiative BRI This globe spanning strategy has reshaped local economies and regional networks and it has become a contested subject for scholars and practitioners alike How should we make sense of the complex interactions that the BRI has enabled Understanding these processes requires truly global perspectives alongside careful attention to the role that local actors play in giving shape to individual BRI projects The contributions in this volume provide both big picture assessments of China's role in regional and global interactions and detailed case studies that home in on the role agency plays in BRI dynamics Written by leading area studies scholars with diverse disciplinary expertise this book reveals how Chinese efforts to recalibrate the world are taken up challenged revamped and reworked in diverse contexts around the world **Governance** Hasnat Abdul Hye, 2001 Based on the experiences of the past and the imperatives of the present this outstanding anthology reflects governance issues from a South Asian perspective It is comprehensive yet accessible making it a valuable resource for students of finance and economics as well as for banks and financial consultants **Democracy, Sustainable Development, and Peace** Akmal Hussain, Muchkund Dubey, 2014 This text examines in the context of South Asia four interrelated dimensions that constitute the central policy challenges of our time consolidating democracy confronting violent extremism overcoming mass poverty and addressing the challenge of climate change These themes are explored by some of the leading scholars and public figures in South Asia and are further integrated within a new perspective on South Asia by the editors **Peace and Conflict Studies** Anindya Jyoti Majumdar, Shibashis Chatterjee, 2020-08-09 This volume explores how we theorize politicize and practice peace and conflict discourses in the social sciences As concepts peace and conflict are intricately interwoven into a web of complementary discourses where states and other actors are able to negotiate deliberate and arbitrate their differences short of the overt and covert use of physical violence The essays in this volume reflect this eclecticism they reflect on concerns of contemporary conflicts in world politics the dissection of the ideas of peace and power the way peace studies join with global agencies peace and conflict in connection to geopolitics and identity the domestic basis of conflict in India and the South Asian theatre including class social cleavages and gender Further they also process elements like globalization media communication and films that help us engage with the popular tropes and discursive construction of the

reality that play critical roles in how peace and violence are articulated and acted upon by the elites and the masses in societies This volume will be of great interest to scholars and researchers of political science international relations theory peace and conflict studies public policy and area studies It will also be a key resource for bureaucrats policy makers think tanks and practitioners working in the field of international relations *Global Digital Cultures* Aswin

Punathambekar, Sriram Mohan, 2019-06-06 Digital media histories are part of a global network and South Asia is a key nexus in shaping the trajectory of digital media in the twenty first century Digital platforms like Facebook WhatsApp and others are deeply embedded in the daily lives of millions of people around the world shaping how people engage with others as kin as citizens and as consumers Moving away from Anglo American and strictly national frameworks the essays in this book explore the intersections of local national regional and global forces that shape contemporary digital culture s in regions like South Asia the rise of digital and mobile media technologies the ongoing transformation of established media industries and emergent forms of digital media practice and use that are reconfiguring sociocultural political and economic terrains across the Indian subcontinent From massive state driven digital identity projects and YouTube censorship to Tinder and dating culture from Twitter and primetime television to Facebook and political rumors *Global Digital Cultures* focuses on enduring concerns of representation identity and power while grappling with algorithmic curation and data driven processes of production circulation and consumption *Rethinking Development in South Asia* Farid Uddin Ahamed, M. Saiful Islam, Amir Mohammad Nasrullah, 2022-03-17 This book challenges the way development has been conceptualized and practiced in South Asian context and argues for its deconstruction in a way that would allow freedom choice and greater well being for the local people Far from taking development for granted as growth and advancement this book unveils how development could also be a destructive force to local socio cultural and environmental contexts With a critical examination of such conventional development practices as hegemonic patriarchal devastating and failure it highlights how the rethinking of development could be seen as a matter of practice by incorporating people s interest priorities and participation The book theoretically challenges the conventional notion of hegemonic development and proposes alternative means and practically provides nuances of ethnographic knowledge which will be of great interest to policy planners development practitioners educationists and anyone interested in knowing more about how people think about their own development

Globalization and South Asia Achin Vanaik, 2004 *One More Voice!* Cynthia Keppley Mahmood, 2012-08-15 *One More Voice* adds the scholarly views of Dr Cynthia Keppley Mahmood to the chorus of protest for civil and human rights in South Asia today Looking at the Sikhs of the Punjab the Muslims of Kashmir terrorism in Mumbai and the dangers of research in Bihar Professor Mahmood includes her writings and speeches 2000 2010 in this second XLibris volume *A Sea of Orange* dealt with 1990 2000 Readers both specialist and general will find these pieces both informative and inspirational as Mahmood turns her attention to activism in South Asia and the potential for change *Diaspora and Identity* Ajaya Kumar

Sahoo, Gabriel Sheffer, 2016-04-29 This book investigates the identity issues of South Asians in the diaspora. It engages the theoretical and methodological debates concerning processes of culture and identity in the contemporary context of globalisation and transnationalism. It analyses the South Asian diaspora as a perfect route to a deeper understanding of contemporary socio-cultural transformations and the way in which information and communication technology functions as both a catalyst and indicator of such transformations. The book will be of interest to scholars of diaspora studies, cultural studies, international migration studies and ethnic and racial studies. This book is a collection of papers from the journal *South Asian Diaspora*.

Health, Culture and Religion in South Asia Assa Doron, Alex Broom, 2013-09-13 Health, Culture and Religion in South Asia brings together top international scholars from a range of social science disciplines to critically explore the interplay of local cultural and religious practices in the delivery and experiences of health in South Asia. This groundbreaking text provides much needed insight into the relationships between health, culture, community, livelihood and the nation-state and in particular the recent struggles of disadvantaged groups to gain access to health care in South Asia. The book brings together anthropologists, sociologists, economists, health researchers and development specialists to provide the reader with an interdisciplinary approach to the study of South Asian health and a comprehensive understanding of cutting edge research in this area. Addressing key issues affecting a range of geographical areas including India, Nepal and Pakistan, this text will be essential reading for students and researchers interested in Asian Studies and for those interested in gaining a better understanding of health in developing countries. This book was published as a special issue of *South Asian History and Culture*.

Human Development and Social Power Ananya Mukherjee Reed, 2008 In South Asia, beyond human development continues to be in a state of crisis. This book explores the unevenness of human development with respect to the question of difference. The author develops a conceptual framework that focuses on social power whereby human development is seen as a process of reconstruction.

Regional Economic Outlook, October 2019, Asia Pacific International Monetary Fund. Asia and Pacific Dept, 2019-10-23 Growth in Asia is expected to moderate to 5.0 percent in 2019 and 5.1 percent in 2020, 0.4 and 0.3 percentage point lower than projected last April, respectively. A marked deceleration in merchandise trade and investment driven by distortionary trade measures and an uncertain policy environment is weighing on activity, particularly in the manufacturing sector.
