Perspectives On The New Pentecostalism:

Perspectives on the New Pentecostalism Russell P. Spittler, 1976 **Perspectives in Pentecostal Eschatologies** Peter Althouse, Robby Waddell, 2010-09-08 During the mid twentieth century Pentecostal theology was co opted by fundamentalism and its dispensational brand of millennial eschatology Fundamentalist dispensationalism not only reinterpreted the original Pentecostal vision of the latter rain outpouring of the Spirit in the last days but undercut its raison d etre as a people empowered by the Spirit of Pentecost to participate in the kingdom of God Yet eschatology is much broader than twentieth century dispensationalism and Pentecostal eschatology is diverse reflecting the diversity of Pentecostal and Charismatic spiritualities There is no one Pentecostal eschatology but many Pentecostal eschatologies This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right **Perspectives on the new Pentecostalism** , 1972 **Handbuch pfingstliche und charismatische Theologie** Jörg Haustein, Giovanni Maltese, 2014-07-16 Although the Pentecostalism is a movement with the most powerful impact worldwide no substantiated discussion occurred in Germany until today One of the reasons is that the statements of the professional classes mostly are published in English language This volume gives an overview of Pentecostal theologies translated in German and a systematic introduction to the theological issues treated **The Globalization of Pentecostalism** Murray W. Dempster, Byron D. Klaus, Douglas Petersen, 1999 This scholarly and engaging collection of essays examines the changes in academic disciplines features of the geographic regions and nuances of the cultural issues related to global Pentecostalism This book comprising a sweeping range of well documented articles on Pentecostal theology hermeneutics Missiology and the social sciences provides the student of Pentecostalism with a fresh insight into the issues and opportunities confronting Pentecostals as they head into the new millennium Here is a window of contemporary scholarship that discloses vigorous engagement with critical issues The editors have provided a resource that promises to stimulate further research and reflection **Prophecy and Politics in South African Pentecostalism** Mookgo Solomon Kgatle, 2023-12-28 This book is an interdisciplinary study of the relationship between prophecy and politics in South African Pentecostalism The role and the power of prophecy in enhancing the presence of politicians in the church square are unpacked through historical examples as well as case studies of contemporary prophets Solomon Kgatle argues that the influence of prophecy in politics has the potential to weaken the prophetic voice of the church in general and the Pentecostal movement in particular He proposes a Pentecostal political theology of prophecy This theology is developed by taking into cognizance the theoretical and theological frameworks of prophetic imagination and pneumatological imagination In addition this theology seeks a balance between prophecy and power and prophecy and sovereignty **A Guide to the Study of the**

Pentecostal Movement Charles Edwin Jones, 1983 This bibliographic and organizational guide to traditional Pentecostalism includes historical information on churches associations and evangelistic and missionary agencies schools and individual proponents and critics of the movement worldwide and related bibliography Churches and other agencies are classified by doctrinal tradition More than 6 000 items are included Roman Catholic/Pentecostal Dialogue (1977-1982) Jerry L. Sandidge, 1987 Vatican II opened the doors of the Roman Catholic Church for official theological dialogue with separated brethren The rise of the neo Pentecostal movement and charismatic renewal caused the doors of the historical Pentecostals to open toward Christians in the mainline churches This book discusses the historical precedents of the Vatican Pentecostal Dialogue and reviews the ten years Dialogue 1972 1982 with special attention given to the second five years The implications of this Dialogue for ecumenism is also discussed Volume Two contains all the documents from the second quinquennium including the 16 theological papers and final report Transfiguration of Chinese Christianity: Localization and Globalization Allan H. Anderson, Paul H. B. Chang, Fu-chu Chou, Ke-hsien Huang, Veli-Matti Kärkkäinen, Cheng-tian Kuo, Yun-hsuan Kuo, Peter Tze Ming Ng, David A. Reed, Ray Yun Wang, 2018-11-01 Since Christianity was re introduced to China in the early nineteenth century Chinese Christianity has undergone a holistic transfiguration which both truthfully restores ante Nicene Christianity and successfully adapts to the cultural contexts of Chinese and other societies The theoretical and theological diversity of this book is consistent with that of traditional Chinese religious writings as well as that of the ante Nicene fathers but may be deemed un theoretical un academic or un theological by those theologians who received Western theological training as that tends to be too hegemonic emotionless and archaic in the eyes of lay believers

The Pentecostal Gender Paradox Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By examining gender solely through an eschatological lens in

history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality

Canadian Pentecostals, the Trinity, and Contemporary Worship Music Michael A. Tapper, 2017-05-08 This volume offers a landmark analysis of the trinitarian impulses in contemporary worship music used by the Pentecostal Assemblies of Canada PAOC It considers whether the lyrics from the most commonly used PAOC songs are consistent with this Evangelical group s trinitarian statement of faith Colin Gunton s trinitarian theology provides the theological rationale for eight original and qualitative content analyses of these songs Three major areas are considered the doctrine of God human personhood and cosmology Making use of Gunton s notions of relationality particularity and perichoresis along with several key Pentecostal scholars this book serves as a helpful descriptive and prescriptive theological resource for the dynamic practice of a trinitarian faith

Pentecostal Movements as an Ecumenical Challenge Jürgen Moltmann, Karl-Josef Kuschel, 1996

Pentecostal Formation Cheryl Bridges Johns, 1993 This volume explores the nature of catechesis in particular the process of faith formation within Pentecostalism including a critique of the educational paradigm of Paolo Freire as a means of empowering the oppressed

Born Againism, Perspectives on a Movement Eric W. Gritsch, 1982 What are the origins of the born again movement How does the born again experience relate to Baptism Why do fundamentalists argue the literal inspiration of the Bible Answers to these questions and many more emerge from the story of the born again movement Born Againism places the born again phenomenon in historical perspective beginning in the late eighteenth century as a movement propelled by speculations about the end time millennialism When millennialists merged with fundamentalists and charismatics a powerful movement was born In direct non technical language Gritsch offers an ecumenical focus that should promote honest dialogue and critical reflection on a vital aspect of contemporary religious life An annotated bibliography of suggested additional readings is provided

African Pentecostalism from African Perspectives Ezra Chitando, Lovemore Togarasei, Loreen Maseno, 2024-11-05 Although African scholars have made a significant contribution to the study of African Pentecostalism very few studies have reflected on their output Most of the contemporary publications on the widespread phenomenon of African Pentecostalism create the impression that only scholars from the Global North have contributed to the field This volume addresses the lacuna in the available scholarship by undertaking detailed analyses of how African scholars from diverse academic disciplines and African Diasporan context have helped to shape the field The included chapters provide fresh data on new themes and perspectives in the field

Concilium, 1996

Pentecostal Currents in American Protestantism Edith

Waldvogel Blumhofer, Russell P. Spittler, Grant A. Wacker, Grant Wacker, 1999 Pentecostal Currents in American Protestantism addresses the theme of encounter within the Protestant faith by exploring moments in which identities and boundaries have been established or challenged as the Pentecostal and charismatic movements that have taken their place on the American religious scene Examining topics as diverse as the animosity that marked Pentecostalism's encounter with the Holiness movement the forms and results of engagement between Pentecostal missionaries and Protestant mission boards in China and the response of Southern and American Baptists to the charismatic renewal contributors show how the confluence of the mainstream with other streams brings about questioning realignment and change The Doctrine of the Holy Spirit: Subject analysis and indexes Esther Dech Schandorff, 1995 Pentecostalism and the Future of the Christian Churches Richard Shaull, Waldo A. Cesar, 2000 They also reveal the potential these movements hold for transforming unjust economic social and political structures and discuss what the church at large might learn from the Pentecostal experience Unique for its interdisciplinary approach to Pentecostal movements this volume is important not only as a study of a significant religious phenomenon but also as a resource for reflection on Christian social responsibility in today's world
