Blomberg, 2009-08-01 Gold Medallion Award winning study of Christ's life as recorded in the Gospels newly updated in 2009 from the original 1997 work **From Pentecost to Patmos** Craig L. Blomberg, 2006 A companion to Jesus and the Gospels Blomberg's ECPA Gold Medallion winner From Pentecost to Patmos introduces serious Bible students to the depths of information found in Acts through Revelation Jesus and the Gospels (2nd Edition) Craig Blomberg, 2020-05-21 A clear and comprehensive introduction to the study of Jesus and the Gospels Craig Blomberg's award winning Jesus and the Gospels prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries This updated edition incorporates new scholarship debate critical methods and the ongoing quest for the historical Jesus and ensures the work will remain a valuable tool for exploring the life of Christ through the first four books of the New Testament **Can We Still Believe the Bible?** Craig L. Blomberg, 2014-04-01 Challenges to the reliability of Scripture are perennial and have frequently been addressed However some of these challenges are noticeably more common today and the topic is currently of particular interest among evangelicals In this volume highly regarded biblical scholar Craig Blomberg offers an accessible and nuanced argument for the Bible's reliability in response to the extreme views about Scripture and its authority articulated by both sides of the debate He believes that a careful analysis of the relevant evidence shows we have reason to be more confident in the Bible than ever before As he traces his own academic and spiritual journey Blomberg sketches out the case for confidence in the Bible in spite of various challenges to the trustworthiness of Scripture offering a positive informed and defensible approach The Cradle, the Cross, and the Crown Andreas J. Köstenberger, L. Scott Kellum, Charles L Quarles, 2009-08-01 Although Scripture cannot be reduced to a mere piece of human writing there is much to gain by paying careful attention to the historical literary and theological dimensions of the biblical text For this reason The Cradle the Cross and the Crown is offered to the serious New Testament student who seeks to better understand and share God's word of truth 2 Timothy 2:15 Across nearly one thousand pages it thoroughly introduces all twenty seven New Testament books and closely examines Christ's incarnation and virgin birth the heart of His ministry shown so vividly in the Gospels Passion Narratives and the triumphant return of Jesus and our eternal reign with Him as depicted in Revelation Simply an outstanding work Its up to date research alone makes The Cradle the Cross and the Crown an invaluable resource Add to this its comprehensive survey of the crucial issues related to New Testament studies and you have a textbook well suited for the college or seminary classroom Daniel L Akin president Southeastern Baptist Theological Seminary Wake Forest NC Among the finest such studies of recent decades in classic matters of New Testament introduction What sets it apart includes 1 attention to theology and the history of interpretation 2 extended presentation of the history of New Testament
