Perspectives On The World Christian Movement Notebook 1999:

To Timbuktu and Beyond Marsha Woodward, 2009-06-01 Timbuktu has become a metaphor for remote and inaccessible locations. However, it is a real place with real people. Like much of the world's population, few of Timbuktu's residents have had the opportunity to hear the Gospel. While the task may seem daunting, the Church is not sitting still. Each year, hundreds of Christians are joining the vast force of cross-cultural missionaries flung around the globe. *To Timbuktu and Beyond* serves as a practical step-by-step guide for those getting ready to go into missions. It begins with the basic question of knowing and confirming your calling, working through the various steps of preparation, training, and logistics, and carrying you through your first few months on the field. Each chapter has a series of tasks for you to prayerfully complete. Missions is the most fulfilling career path you could possibly embark on, not to mention an incredible adventure. *To Timbuktu and Beyond* will help you in preparation for your journey because what you do before you go will have a significant impact on your future success.

Victory Over Fear: Charms, Witchcraft and Worldview in South-Central Malawi Robert Beaton, 2023-05-25 In this volume, the author presents much of his field research into the use of African traditional religious charms in the Zambezi Evangelical churches of South Central Malawi. He details the kinds of charms used by whom, exactly how the underlying motives and the particular purposes. He shows how charm dependency creates a problem for discipleship within the churches. An anthology of real-life stories of charm usage is presented, which makes for interesting reading. The basic tenets of a Chewa worldview are also articulated to demonstrate how charm dependency and other witchcraft-related activities are stimulated and perpetuated by deep-seated worldview assumptions. The voices of local pastors, student pastors, and African authors are heard throughout, providing a contextual feel. This book is an excellent practical resource for teaching and learning for those involved in discipleship, theology, ATR missions, and cultural perspectives.

Nigeria - Politics, Religion, Pentecostal-Charismatic Power and Challenges Akintayo Emmanuel, 2023-10-13 Nigeria presents an enthralling case study for understanding developing archetypes in interreligious encounters in Africa. The global community needs a cultural understanding and sensitivity for productive engagement with the Arab and non-Arab Muslim world. The Nigeria religious exigencies provide a requisite intelligence into the challenges facing a global community seeking to foster peace. Without a domain of tolerance, love, equity, and justice, Nigeria will continually be immured by pessimism, parochialism, cynicism, and mutual suspicion. Despite being the largest economy in Africa and the most populous Black country, Nigeria demonstrates incessantly an uncommon fault line between Christianity and Islam. The significance of this goes beyond the borders of

Nigeria but has become a global showcase anywhere the two religions exist contemporaneously Nigeria is the nexus between west and central Africa Rooted in the dusty Sahel of the north the savannah plains the rich rainforests of the Atlantic coast the rocky hills of the West and the oil filled swamps of the Delta Nigeria is the beauty sound vision passion and the soul of the African continent In Nigeria the Nigeria Pentecostal Charismatic Movement possesses a distinctive flair that demands a holistic understanding of the movement s historical cultural fundamental and religious dimensions in a multifarious religious landscape The disquisition of the movement s political cognizance identity power authority theology popular culture ethics and missiological impact in northern Nigeria presents a fine embroidery of their trials frustrations and challenges but inveterate in faith hope and love that opens up innovative panoramas of peaceful dialogical prospects and coexistence between Christians and Muslims in northern Nigeria In Nigeria Politics Religion Pentecostal Charismatic Power and Challenges Akintayo Emmanuel reconnoiters the complex missiological hindrances challenging the Nigerian Pentecostal Charismatic Movement Their contextual missional landslide disheveled with complicated paradoxes in the way the Christian majority have responded to Muslims in northern Nigeria is anatomized The Nigerian Pentecostal Charismatic Movement s puissance to solve some of Nigeria political ideological cultural and spiritual dimensions of crisis and sectarian violence is achievable if the movement can mitigate her missiological hindrances The responses of Nigerian Pentecostal Charismatic Movement to Nigeria s socio political and ethno religious complexities can construct a great future for the soul of Nigeria They do not only have the capacity to provide the Christian alternatives to Nigeria s peculiarities they can also stimulate Nigeria s deification among other nations by continuing to disentangle from unscrupulousness and atrociousness embedded within a reproach and opprobrium to any people

Servantship Graham Joseph Hill,2013-10-10 Servanthship is essentially about following our Lord Jesus Christ the servant Lord and his mission it is a life of discipleship to him patterned after his self emptying humility sacrifice love values and mission Servanthship is humbly valuing others more than yourself and looking out for the interests and wellbeing of others Servanthship is the cultivation of the same attitude of mind Christ Jesus had making yourself nothing being a servant humbling yourself and submitting yourself to the will and purposes of the triune God Since servanthship is the imitation of Christ it involves an unreserved participation in the missio Dei the Trinitarian mission of God In this pioneering work sixteen servants describe the four movements of radical servanthship Servanthship is the movement 1 from leadership to radical servanthship 2 from shallowness to dynamic theological reflection 3 from theories to courageous practices and 4 from forgetfulness to transforming memory Servanthship recognizes in word thought and deed that whoever wants to become great among you must be your servant and whoever wants to be first must be your slave just as the Son of Man did not come to be served but to serve and to give his life as a ransom for many *Three's a Crowd* Jacqueline Grey,2011-06-13 Three s a Crowd brings together the three dialogue partners of Pentecostalism hermeneutics and the Old Testament Previous attempts by Pentecostal academics to define a distinctive Pentecostal hermeneutic have focused on

issues and application to the New Testament consequently estranging the Old Testament from the conversation This book engages the hermeneutical practices of Pentecostal and Charismatic groups in reading the Old Testament in ways that are representative while critical of their movement's ideological bases and visions While the issue of understanding and developing a viable Pentecostal hermeneutic has continued to be debated within the academic journals of the community for over a decade most discussion has focused on the prescription of ideals rather than on the actual practice of the contemporary community By examining the reading practices of the Pentecostal and Charismatic community this book suggests a unique and rounded reading method that maintains the strengths of Pentecostal reading practices while addressing their inherent weaknesses In this way the voices of the three dialogue partners emerge in a mutual fellowship that engages both the needs of the Pentecostal community and informs the wider ecumenical dialogue
