Handbook of Research on Communication Strategies for Taboo Topics
 Luurs, Geoffrey D.,2022-04-29
 Social norms are valuable because they help us to understand guidelines for appropriate and ethical behavior
 However as part of that process cultures develop taboo behaviors and topics for group members to avoid
 Failure to discuss important topics such as sex drug use or interpersonal violence can lead to unwanted or unintended negative outcomes
 Improving communication about forbidden topics may lead to positive social and health outcomes but we must first develop the communication and coping skills to handle these difficult conversations
 The Handbook of Research on Communication Strategies for Taboo Topics seeks both quantitative and qualitative research to provide empirical evidence of the negative social and health outcomes of avoiding taboo conversations and provides communication and coping strategies for dealing with difficult topics
 Covering a range of issues such as grief and forgiveness this major reference work is ideal for academicians practitioners researchers counselors sociologists professionals instructors and students
