Perspectives On Communication In Social Conflict:

Perspectives on Communication in Social Conflict Gerald R. Miller, Herbert W. Simons, 1974 Engaging Communication in Conflict Stephen W. Littlejohn, Kathy Domenici, 2000-08-30 Written from the authors experience in conflict intervention in their private consulting practice Engaging Communication in Conflict uses a communication perspective to address insights and methods in private mediation small group facilitation system design large scale interventions and public issue management This book offers encouragement for a world sometimes overwhelmed by conflict and presents an expanded and pragmatic definition of peace Authors Stephen Littlejohn and Kathy Domenici discuss numerous methods and principles in conflict resolution They explore transformative mediation the team mediation system assessment and evaluation systemic design gaming methodology issue framing and public deliberation study circles dialogue groups and many other interventions These methods and principles are adapted from a spectrum of theory and practice and include fresh and innovative approaches designed by the authors and their colleagues The book is based on a coherent theoretical orientation drawing heavily from the theories of the coordinated management of meaning system theory social constructionism and transformative discourse While these theories are detailed in the Appendix the book is highly pragmatic in orientation with numerous case examples and how to information **Conflict** Roxane Salyer Lulofs, Dudley D. Cahn, 2000 Providing the most complete coverage of conflict available this book represents a total approach to the study of conflict Solid research and theory help readers better understand the nature of conflict while practical material helps them make better communication choices In addition to considering what people bring into a conflict in terms of their attitudes beliefs values and personal characteristics the book offers new ideas and attitudes to help readers approach conflict more effectively The extensive use of suggestions applications narratives and case studies makes this volume an accessible and useful resource The book deals with conflict from beginning to end from perception of the problem to agreement that it has been resolved or managed It introduces the idea that conflict is inevitable explores its consequences then looks at conflict in the context of values attitudes and beliefs followed by gender and culture Next the book describes types of conflict its phases and cycles and conflict styles strategies and tactics with special attention to collaboration as the preferred strategy The last half of the book covers social psychological and communication perspectives research on conflict and intimacy choosing among the communication options available effectively confronting others cooperative negotiation in win lose situations the escalation of conflict into anger and stress and impression management The book ends with a discussion of conflict forgiveness and reconciliation For anyone interested in understanding and dealing with conflict more effectively *Embodying The Postcolonial Life* Maurice L. Hall, Jennifer Keane-Dawes, Amardo Rodriguez, 2004-09 This volume focuses on the experiences of Caribbean academics living and working in the United States Eight essays by Hall communications Villanova U and his two collaborators criticize the dominant theoretical and pedagogical order in academia as too simplistic and closed to different

Encyclopedia of Communication Theory Stephen W. Littlejohn, Karen A. Foss, 2009-08-18 With more than 300 entries these two volumes provide a one stop source for a comprehensive overview of communication theory offering current descriptions of theories as well as the background issues and concepts that comprise these theories This is the first resource to summarize in one place the diversity of theory in the communication field Key Themes Applications and Contexts Critical Orientations Cultural Orientations Cybernetic and Systems Orientations Feminist Orientations Group and Organizational Concepts Information Media and Communication Technology International and Global Concepts Interpersonal Concepts Non Western Orientations Paradigms Traditions and Schools Philosophical Orientations Psycho Cognitive Orientations Rhetorical Orientations Semiotic Linguistic and Discursive Orientations Social Interactional Orientations Theory Metatheory Methodology and Inquiry *The Management of Struggle* John W. Keltner, 1994 Examining the struggle and conflict process this volume assesses conflict resolution by setting it in the context of a struggle from mild disagreement to violence Clear descriptions of preventive and interventive forms of managing struggle are presented CSCW: Cooperation or Conflict? Steve Easterbrook, 2012-12-06 Computer supported cooperative work CSCW systems will undoubtedly play an important role in the application of information systems in the 1990s and beyond The term cooperative is often taken for granted and it is assumed that CSCW users are willing and able to cooperate without any difficulty This assumption ignores the possibility of conflict and as a result the expression management and resolution of conflict are not supported CSCW Cooperation or Conflict arose from a one day meeting on computer supported cooperative work which examined the role of conflict in collaborative work The aim of the meeting was to examine what people actually do when they say they are cooperating and to assess how this affects the design of systems The chapters of this book are fuller accounts of the work presented during the meeting The first chapter presents a survey of studies of conflict in social psychology and related fields providing both a summary of the main findings and a set of pointers into the literature The subsequent chapters each present a different view of conflict focussing particularly on the social and organizational settings and the factors which lead to conflict The earlier chapters provide conceptual frameworks for the study of various types of conflict while the later chapters concentrate on the implications for CSCW The book is the first to examine conflict from a CSCW perspective It offers a unique snapshot of current research work in this exciting field and establishes the importance of the issue For the designer of CSCW systems it offers insights into the role of conflict and an analysis of some of the assumptions on which existing CSCW systems have been based For the student and researcher it provides both an introduction to the area and a set of in depth studies suitable to inform future research **Mediating Between Family Members** John Lemmon, 1985 *Sociology* David M. Newman, 2009-12-08 The Eighth edition of David Newman's Sociology Exploring the Architecture of Everyday Life once again invites students into the world of sociological thought Sociology encourages students to think less about the next test and more about how the subject applies to their

everyday lives In addition to updated coverage and fresh examples this edition features revamped Micro Macro Connections that have been even further honed to help students understand the link between individual lives and the structure of society
