Perspectives On Democratic Consolidation In Central And Eastern Europe:

Perspectives on Democratic Consolidation in Central and Eastern Europe Dirk Berg-Schlosser, Raivo Vetik, 2001 This volume consists of twenty studies on problems related to transition to democracy in central and eastern Europe during the decade following the collapse of communist states The book focuses on preconditions and problems of transitions case studies patterns of performance and consolidation and inter regional comparative aspects Central and Eastern European Media in Comparative Perspective John Downey, Sabina Mihelj, 2016-04-15 Appearing more than twenty years after the revolutions in Central and Eastern Europe this book could not have come at a more appropriate time a time to take stock not only of the changes but also the continuities in media systems of the region since 1989 To what extent are media institutions still controlled by political forces To what extent are media markets operating in Central and Eastern Europe Do media systems in Central and Eastern Europe resemble media systems in other parts of Europe The answers to these questions are not the same for each country in the region Their experience is not homogeneous An international line up of distinguished experts and emerging scholars methodically examine the different economic political cultural and transnational factors affecting developments in media systems across Central and Eastern Europe Whereas earlier works in the media system tradition have in the main adopted the political framework of comparative politics the authors argue that media systems are also cultural and economic institutions and there are other critical variables that might explain certain outcomes better Topics discussed range from political economy to gender inequality to the study of ethno cultural diversity This unmatched volume gives you the unique opportunity to study the growing field of comparative media analysis across Eastern and Western Europe A valuable resource that goes beyond the field of media and cultural analysis which media scholars as well as to area specialists should not go without Systemtransformation Wolfgang Merkel, 2009-10-27 Das Buch ist die erste systematische Einführung in die politikwissenschaftliche Transformationsforschung und bietet zweitens umfassende empirische Analysen der Demokratisierung nach 1945 und der Systemwechsel in S deuropa Lateinamerika Ostasien und Osteuropa Es werden in einem ersten theoretischen Teil Kriterien entwickelt die eine klare begriffliche Fassung und Abgrenzung von politischen Herrschaftssystemen erlauben Sie gelten gleichermaßen für Demokratie und Autokratie ebenso wie für Regierung Regime Staat und System Vor dem Hintergrund dieser Ordnungsbegriffe werden die großen Phasen der Transformation von autokratischen zu demokratischen politischen Systemen konzipiert und in der Dynamik ihrer Strukturen und Akteure theoretisch systematisch aufeinander bezogen Die theoretischen Konzepte werden im zweiten Teil der empirischen Analyse von vier großen regionalen Transformationswellen auf die Demokratisierung Deutschlands Italiens und Japans nach 1945 die Rechtsdiktaturen S deuropas Portugal Griechenland Spanien nach 1974 die kapitalistischen Autokratien Ostasiens Philippinen Taiwan S dkorea Thailand Mitte der Achtzigerjahre sowie die kommunistischen Systeme Osteuropas nach 1989 angewendet *Federalism and Decentralisation in Eastern Europe* Miodrag A. Jovanović, Slobodan

Samardžić,2007 Although fully aware of the gravity of violent ethnic wars and challenges that multiethnic societies pose for any democratic polity both authors endorse multicultural democracy Jovanovic argues against territorial accommodation of ethnic demands and in favour of community based minority rights policy Samardzic understands territorial decentralisation as an indispensable guarantee for a fully fledged protection of minority ethnic groups Despite this major conceptual difference they put forward democratic legitimacy as a fundamental condition for peaceful multiethnic societies
