## **Persuasive Fictions:**

*Persuasive Fictions* Anna Wilson, 2001 From Mary Wollstonecraft's novels to Thelma and Louise or the prose and films of Audre Lorde her book documents how the first reception of a feminist work whether in the 1790s or the 1990s generates a truly unpredictable history of personal and political responses among readers including the later critical interpretations that try to decide whether a text successfully resists the dominant values and powers of its culture **BOOK JACKET** Persuasive Fictions Greg Walker, 1996 Study of the political culture of England in the reign of Henry VIII **Gruppieren, Interferieren, Zirkulieren** Maximilian Linsenmeier, Sven Seibel, 2019-02-20 Die digitalen Medienkulturen haben in den Künsten zur Herausbildung neuartiger Konfigurationen geführt die sich im Wesentlichen als Austauschbeziehungen heterogener Praxisfelder bestimmen lassen Es sind künstlerische Verfahren entstanden die weder einen gesicherten institutionellen Ort noch medialen Rahmen besitzen Stattdessen markieren Bewegungen des Bersetzens des Zirkulierens des Intervenierens und des Gruppierens die Bedingungen ihrer Produktion und Erfahrung Aus unterschiedlichen Blickwinkeln Film Tanz Theater und Medienwissenschaft entwickeln die Beiträge innen des Bandes Methoden und Konzepte um diese prozessorientierten ästhetischen Verfahrensweisen zu beschreiben **Culture**, 1989 **Modernist Anthropology** Marc Manganaro, 2014-07-14 Recent insights into the nature of representation and power relations have signaled an important shift in perspective on anthropology from a fieldwork based science of culture to an interpretive activity bound to the discursive and ideological process called text making This collection of essays reflects the ongoing cross fertilization between literary criticism and anthropology Focusing on texts written or influenced by anthropologists between 1900 and 1945 the work relates current perspectives on anthropology's discursive nature to the literary period known as Modernism The essays each demonstrating anthropology's profound influence on this important cultural movement are organized according to discourse type from the comparativist text of Frazer to the ethnographies of Boas Benedict Mead and Hurston and on to the surrealist experiments of the College de Sociologie Meanwhile the book's orientation shifts from essays that approach anthropology from the vantage points of literariness and textual power to those that contemplate what bearing the junction of cultural theory and anthropology can have upon present and future social institutions In addition to the editor contributors include Vincent Crapanzano Deborah Gordon Richard Handler Arnold Krupat Francesco Loriggio Michele Richman Marty Roth Marilyn Strathern Robert Sullivan John B Vickery and Steven Webster Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Metaphor and Reason in Judicial Opinions** Haig A. Bosmajian, 1992 While much has been written on

the use of metaphor in literature and religion science and philosophy few articles and no books have discussed its function in legal opinions To the public judges handing down judicial decisions present arguments derived through rational discourse and literal language Yet as Judge Richard Posner has pointed out rhetorical power counts for a lot in law Science not to mention everyday thought is influenced by metaphors Why shouldn t law be Haig Bosmajian examines the crucial role of the trope metaphors personifications metonymies in argumentation and reveals the surprisingly important place that figurative nonliteral language holds in judicial decision making Focusing on the specific genre of the legal opinion Professor Bosmajian discusses the question of why we have judicial opinions at all and the importance of style in them He then looks at specific well known figures of speech such as the wall of separation between church and state justice personified as a female or the Constitution as color blind explaining why they are not straight forward statements of legal fact but examples of the ways tropes are used in legal language     *Legal Fictions* Pierre Johannes Jeremia Olivier,1973     *Milton and the Art of Rhetoric* Daniel Shore,2012-07-30 This book argues that Milton used innovative and cunning means to persuade readers in an age distrustful of traditional rhetoric     **Art and Interpretation** Eric Dayton,1999-02-02 Art and Interpretation is a comprehensive anthology of readings on aesthetics Its aim is to present fundamental philosophical issues in such a way as to create a common vocabulary for those from diverse backgrounds to communicate meaningfully about aesthetic issues To that end the editor has provided selections from a wide variety of challenging works in aesthetic theory both classical and modern The approach is often cross disciplinary Within the discipline of philosophy it seeks to balance readings from the analytic tradition with continental European hermeneutical postmodern including deconstructionist and feminist readings The anthology is thus broadly conceived but by grouping the readings into sections such as Expression and Aesthetic object Psychology and Interpretation Marxist Theory and Culture Gender and Difference it aims as well to provide depth of coverage for each topic or issue The book opens with a historical section containing substantial selections from Plato Aristotle Hume Kant Shelley and Nietzsche these readings introduce themes that recur and are developed in the remainder of the anthology     *Legal Fictions in Practice and Legal Science* Pierre Johannes Jeremia Olivier,1975     *Sounding Out Pop* Mark Stuart Spicer,John Rudolph Covach,2010 Brings together a diverse collection of voices to explore a broad spectrum of popular music     **Henry VIII and the Art of Majesty** Thomas P. Campbell,2007 Campbell sheds light on Tudor political and artistic culture and the court s response to Renaissance aesthetic ideals He challenges the predominantly text driven histories of the period and offers a fresh perspective on the life of Henry VIII OCLC     **The Imagined Island** Pedro Luis San Miguel,2005 Imagined Island History Identity and Utopia in Hispaniola     *Parergon* ,1997     *Character Sketches of Romance, Fiction and the Drama* Ebenezer Cobham Brewer,1892     **Developments in the Law of Industrial Accident ...** Lloyd Kirkham Garrison,James Willard Hurst,1939     *Works* ,1967     **Social Analysis** ,1992     **Coming to Terms** Deanne Williams,2000     **American Book Publishing Record** ,2002
