Perth County:

Boundaries of counties and parishes in Scotland John Hay Shennan, 1892 *Committed to the State Asylum* James E. Moran, 2001-01-01 Unlike other studies *Committed to the State Asylum* shows the important role that the community played in shaping the asylum and tackles the thorny issue of state development explaining how state asylums developed differently in each province He considers Canada's pioneering institutional efforts at dealing with the criminally insane and why those efforts lasted only a short time shedding new light on the debate about the nature and extent of state involvement in nineteenth century Canadian society *Committed to the State Asylum* offers new insights into the ways in which both ordinary families and the state understood and responded to those they thought had crossed the boundaries of sane behaviour

History of the County of Perth from 1825 to 1902 William Johnston, 1903 **Seeking a Better Future** Lucille H. Campey, 2012-08-11 Most emigration from England was voluntary self financed and pursued by people who while expecting to improve their economic prospects were also critical of the areas in which they first settled The exodus from England that gathered pace during the 19th century accounted for the greatest part of the total emigration from Britain to Canada And yet while copious emigration studies have been undertaken on the Scots and the Irish very little has been written about the English in Canada Drawing on wide ranging data collected from English record offices and Canadian archives Lucille Campey considers why people left England and traces their destinations in Ontario and Quebec A mass of detailed information relating to pioneer settlements and ship crossings has been distilled to provide new insights on how why and when Ontario and Quebec acquired their English settlers Challenging the widely held assumption that emigration was primarily a flight from poverty Campey reveals how the ambitious and resourceful English were strongly attracted by the greater freedoms and better livelihoods that could be achieved by relocating to Canada's central provinces **Celebrating a Century of 4-H in Ontario** 4-H Ontario, 2015-08-31 This book celebrates a century of 4 H in Ontario through stories of members and families from across rural Ontario who have been involved in the 4 H program Part 1 of the book was originally published in 1995 on the 80th anniversary of 4 H in Ontario and covers its early beginnings and the growth of the 4 H program at the provincial level and in each county and district of the province Part 2 covers the last 20 years and the story of 4 H Ontario's growth to become an independent organization and the impact of the 4 H program on families who have been involved in 4 H through several generations The book showcases how 4 H has kept up with the times to provide diverse programs and a continuum of excellence to inspire youth and give them hands on experience to develop transferable skills for their future Some 40 photos are included to help depict the 4 H story over the last century www.4hontario.ca [Accounts and Papers of the House of Commons](#) Great Britain.
