Perverzion Writings From An Unbound Europe:

Perverzion I[rii Andrukhovych,2005 What was the fate of Stanislav Perfetsky poet provocateur and hero of Ukrainian underground culture Evidence points to suicide But some whisper murder Some suggest the grand Eastern European tradition of coerced suicide It may even be related to the religious cult ceremony he happened upon in Munich or that job as a dancer in a strip club for older women Or then again it may not Perverzion constructs Perfetsky s final days using a mishmash of relics from official documents to recorded interviews to scraps of paper Perfetsky the personification of the Ukrainian artistic superman he used his masterful musicianship in a collaboration with Elton John during the pop star s secret sojourn in Ukraine is bound for Venice to participate in a seminar to save the world from absurdity On the way he becomes a Ukrainian Orpheus descending into the decadence of the West navigating through surrealistic adventures and no less surrealistic seminar topics as he charges head up and pants down toward his fate **Virtual Politics** Andrew

Wilson,Professor of the Archaeology of the Roman Empire Andrew Wilson,2005-01-01 States like Russia and Ukraine may not have gone back to totalitarianism or the traditional authoritarian formula of stuffing the ballot box cowing the population and imprisoning the opposition or not obviously But a whole industry of political technology has developed instead with shadowy private firms and government fixers on lucrative contracts dedicated to the black arts of organizing electoral success This book uncovers the sophisticated techniques of the virtual political system used to legitimize post Soviet regimes entire fake parties phantom political rivals and scarecrow opponents And it exposes the paramount role of the mass media in projecting these creations and in falsifying the entire political process Wilson argues that it is not primarily economic problems that have made it so difficult to develop meaningful democracy in the former Soviet world Although the West also has its spin doctors dirty tricks and aggressive ad campaigns it is the unique post Bolshevik culture of political technology that is the main obstacle to better governance in the region to real popular participation in public affairs and to the modernization of the political economy in the longer term **Coming from an Off-Key Time** Bogdan Suceava,2011-01-26 In the apocalyptic novel Coming from Key Time Bogdan Suceava satirizes events in his native Romania since the fateful end of the Ceausescu regime in 1989 Using three interrelated narratives to illustrate the destructive power of Romanian society s most powerful mythologies he depicts madness of all kinds but especially religious beliefs and their perversion by outrageous seets Here horror and humor reside impossibly in the same time and place and readers experience the vertigo of living in the middle of a violent historical upheaval **Lodgers** Nenad Velickovic,2005-09-06 Published as the siege of Sarajevo ended Lodgers is a hilarious unsentimental report from the front lines of the Balkan wars of the 1990s Detergent mixed with flour museum relics sold to U N peacekeepers the magic power of laminated accreditation all of the folly and the horror of that time are revealed in the sarcastic report of the novel s teenage would be authoress **Slavic Review** ,2005 **The Last Journey of Ago**

Ymeri Bashkim Shehu,2007-04-17 In a remote Albanian village a place of banishment a stranger appears claiming to be

Viktor Dragoti and looking for his long lost love That Viktor Dragoti has been dead for nine years killed by the Albanian coast guard while trying to swim to freedom only adds to the stranger s mystery and to the suspense of this curiously real and yet otherworldly work by one of Albania s most distinguished writers With echoes of The Return of Martin Guerre and Kafka s The Trial with allusions to The Odyssey and the Albanian folktale of Ago Ymeri a legendary hero released from the underworld for one day Shehu s novel blends the autobiographical and the historical the personal and the political into a powerful tale a story that conveys the terrors small and large of a totalitarian state while capturing all that is surreal and even lyrical in life in such a deeply distorted world

In-House Weddings Bohumil Hrabal,2007-08-13 The task taken up by such a rogue comic talent could be nothing other than strangely delightful and in In House Weddings the first of the trilogy that Hrabal produced we meet the author through the eyes of his wife Eliska She narrates his life from his upbringing in Nymburk through his work as a dispatcher in a train station and then in a scrap paper plant his first publication his trouble with the authorities and his association with notable artists and authors such as Jiri Kolar Vladimir Boudnik and Arnost Lustig

The Ninth Ferenc Barnas,2009-04-10 The narrator is the ninth child of a family distinguished by its size poverty faith and abundance of physical and psychological disabilities His confusion is exacerbated by the strict secretive Catholic household his parents keep in the face of a Communist system

Balkan Beauty, Balkan Blood Robert Elsie,2006-07-07 In these stories representing the last three decades of Albanian writing especially the burst of creativity in the newfound freedom of the 1990s readers will encounter work that reflects the literary paradox of Eastern Europe in the late twentieth century the startling originality of the new uneasily coupled with the strains of history the sophistication and self consciousness of late or post modernity married to the simplicity of a literature first finding its voice a refusal of political influence and pressure expressed through frankly political subject matter

And Other Stories Georgi Gospodinov,2007-07-27 Stories within stories a few contemporary fables a hint of the narrative complexity of Borges a whiff of the gritty realism of pre and post communist life in Eastern Europe these are the elements that come together in a unique and surprising way in the wildly imaginative and endlessly engaging short stories of Georgi Gospodinov Whether a tongue in cheek crime horror story or the Christmas story of a pig a language game leading to an unexpected epiphany or an inward looking tale built on the complexity of a puzzle box the work in this collection offers a kaleidoscopic experience of a writer whose style has been described as anarchic experimental New Yorker and compulsively readable New York Times Gospodinov s debut prose work Natural Novel was hailed as a go for broke postmodern construction a devilish jam of jump cut narration pop culture riffs
