Matthew Thompson Yates, 1896 The Pet Owners Guide to Ferret Matthew Debanks, 2012 A ferret is one of the most delightful pets an owner can hope to have These

creatures will bond with their owner and they have particularly unique personalities which can make them a delight to watch. However, they also require a little bit more attention than a mouse or a hamster would, and so you need to think about whether you will be able to give them this time before adopting one. Ferrets do have several health issues that as an owner, you need to be aware of. Firstly, a ferret will need to have annual rabies and distemper shots. You need to consider these financial costs before deciding whether to get a ferret.
