Pétain For And Against A Survey Of The Historical Debate:

Pétain : for and Against : a Survey of the Historical Debate Jacques Szaluta,1973 *Pétain : for and Against* Jacques Szaluta,1973 Führer der extremen Rechten Georg Christoph Berger Waldenegg,Francisca Loetz,2006 *The Journal of Psychohistory* ,1979 **Quarterly Review of Military Literature** ,1954 **Review of Current Military Literature** ,1954-04 *Military Review* ,1954 Arming Against Hitler Eugenia C. Kiesling,1996 In May June 1940 the Germans demolished the French Army inflicting more than 300 000 French casualties including more than 120 000 dead While many historians have focused on Frances failure to avoid this catastrophe Eugenia Kiesling is the first to show why the French had good reason to trust that their prewar defense policies military doctrine and combat forces would preserve the nation The Journal of Military History ,2006 *History of the World War: The victory of armistice* Frank Herbert Simonds,1920 For contents see Author Catalog **The Contemporary Review** ,1942 **The American Historical Association's Guide to Historical Literature** American Historical Association,1995 Contains nearly 2 000 annotated citations primarily English language works divided into forth eight sections citations refer chiefly to works published between 1961 and 1992 *Book Review Digest* ,2001 Great Events from History: 1904-1972 Carl Leon Bankston,2009 The latest edition in the overwhelmingly popular Great Events from History series Modern Scandals examines over 400 of the most important and most publicized scandals throughout the world since the beginning of the twentieth century The essays in this set are 3 5 pages long and follow the same reader friendly format that users have come to expect from the Great Events from History series **Review of the Foreign Press, 1939-1945** ,1943 *Pétain, Hero Or Traitor* Herbert R. Lottman,1985 Henri Philippe Benoni Omer Joseph P tain 24 April 1856 23 July 1951 generally known as Philippe P tain French fi lip pe t or Marshal P tain Mar chal P tain or The Lion of Verdun was a French general who reached the distinction of Marshal of France and was later Chief of State of Vichy France Chef de l tat Fran ais from 1940 to 1944 P tain who was 84 years old in 1940 ranks as France s oldest head of state Wikipedia Great Events from History: Modern European Series: 1900-1969 Frank Northen Magill,1973 Short articles about people discoveries and writings includes Columbus Machiavelli Luther Sir Thomas More Charles V Nantes Kepler Vervins Bacon Adam Smith Rousseau Kant Robespierre Napoleon Spanish Revolution Corn Laws Boer War Balkan Wars Dollfuss Sartre Berlin Airlift Marshall Plan etc **The Fall and Rise of French Sea Power** Hugues Canuel,2021-04-15 The Fall and Rise of French Sea Power explores the renewal of French naval power from the fall of France in 1940 through the first two decades of the Cold War The Marine nationale continued fighting after the Armistice a service divided against itself The destruction of French sea power at the hands of the Allies the Axis and fratricidal confrontations in the colonies continued unabated until the scuttling of the Vichy fleet in 1942 And yet just over twenty years after this dark day Charles de Gaulle announced a plan to complement the country s nuclear deterrent with a force of nuclear powered ballistic missile carrying submarines Completing the rebuilding effort that followed the nadir in Toulon this force

provided the means to make the Marine nationale a fully fledged blue water navy again ready to face the complex circumstances of the Cold War An important continuum of cooperation and bitter tensions shaped naval relations between France and the Anglo Americans from World War II to the Cold War The rejuvenation of a fleet nearly wiped out during the hostilities was underpinned by a succession of forced compromises often the least bad possible reluctantly accepted by French politicians and admirals but effectively leveraged in their pursuit of an independent naval policy within a strategy of alliance Hugues Canuel demonstrates that the renaissance of French sea power was shaped by a naval policy formulated within a strategy of alliance closely adapted to the needs of a continental state with worldwide interests This work fills a distinct void in the literature concerned with the evolution of naval affairs from World War II to the 1960s The author drawing upon extensive research through French British American and NATO archives including those made public only recently regarding the sensitive circumstances surrounding the French nuclear deterrent maps out for readers the unique path adopted in France to rebuild a blue water fleet during unprecedented circumstances *Pétain's Jewish Children* Daniel Lee, 2014-06 A study of the nature of the relationship between the Vichy regime and its Jewish citizens particularly of its youth in the period 1940 to 1942 *A History of the Modern World* Robert Roswell Palmer, Joel Colton, 1978
