Pete Weber Cowboy Range Detective:

Pete Weber Delbert Carr, 2012-03-05 Pete was just a boy when his father a town marshal was shot down while he was on duty His mother so heart broken couldn't resign herself to the death and she died of a broken heart only months later An older rancher in the area took Pete in and treated him as a son Teaching him the ranching business and giving him the run of the ranch After he had been on the ranch a few years he was introduced to a man a range detective that came to town in search of some outlaws Pete always had in the back of his mind that he wanted to go after the men that had killed his dad and this man showed him the way The detective was better equipped to get on the track of the outlaws and follow them wherever it took him Pete had pledged to himself that he would never be a town marshal that was stuck to a limited area he could search After listening to the detective talk about his cases Pete worked up enough courage to ask the man if he could come home with him and learn the trade He promised that he would earn his way on the ranch while he was training Much to his surprise the man agreed and this started Pete's career both as a rancher and as a detective Pete Weber Delbert Carr, 2012-03-08

This is a story of a high school boy that is tromped on first by his stepfather and then others along the way He decided to champion the underdogs in today's society In the beginning he takes on all that ask for his help It is only after he is offered large sums of money to take on high profile people that his goals change In the end he becomes just a high priced assassin The story covers the many devices he designs to carry out his assignments in a crowd of people without them being aware of what he is doing In the end he is forced to go into hiding and wait for another day when Jack Frost is needed again Pete Weber Cowboy Range Detective Delbert Carr, 2005-10-19
