Peter Bogdanovich's Movie Of The Week:

Peter Bogdanovich's Movie of the Week Peter Bogdanovich, 1999-11-02 This film calendar features literally a movie a week for a year As recommended and lovingly profiled in essays by Peter Bogdanovich 52 vintage films all available on videocassette for viewing pleasure in one calendar year 14 photos Hollywood Stories Stephen Schochet, 2010 Just when you thought you've heard everything about Hollywood comes a totally original new book a special blend of biography history and lore Hollywood Stories is packed with wild wonderful short tales about famous stars movies directors and many others who have been part of the world's most fascinating unpredictable industry Full of funny moments and twist endings Hollywood Stories features an amazing icons and will keep you totally entertained Henry James Goes to the Movies Susan M. Griffin, 2014-10-17 Why has a nineteenth century author with an elitist reputation proved so popular with directors as varied as William Wyler François Truffaut and James Ivory A partial answer lies in the way many of Henry James's recurring themes still haunt us the workings of power the position of women in society the complexities of sexuality and desire Susan Griffin has assembled fifteen of the world's foremost authorities on Henry James to examine both the impact of James on film and the impact of film on James Anthony Mazella traces the various adaptations of *The Turn of the Screw* from novel to play to opera to film Peggy McCormack examines the ways the personal lives of Peter Bogdanovich and then girlfriend Cybill Shepherd influenced critical reaction to *Daisy Miller* 1974 Leland Person points out the consequences of casting Christopher Reeve then better known as Superman in *The Bostonians* 1984 during the conservative political context of the first Reagan presidency Nancy Bentley defends Jane Campion's anachronistic reading of *Portrait of a Lady* 1996 as being more authentic than the more common period costume dramas Dale Bauer observes James's influence on such films as *Next Stop Wonderland* 1998 and *Notting Hill* 1999 Marc Bousquet explores the ways *Wings of the Dove* 1997 addresses the economic and cultural situations of Gen X viewers Other fascinating essays as well as a complete filmography and bibliography of work on James and film round out the collection Classical Projections Eleni Palis, 2022 Quotations are a standard way that the humanities make meaning the pull quote epigraph and quotation are standard for citing evidence and invoking and interrogating authority in both literary and scholarly writing However film studies has yet to seriously examine how moving images can quote one another convening interaction and creating new knowledge across time *Classical Projections* offers film quotation as a new concept for understanding how preexisting moving image fragments are reframed and re-viewed within subsequent films As a visual corollary to literary quotation film quotations embed film fragments in on screen movie screens Though film quotations have appeared since silent cinema *Classical Projections* focuses on quotations of classical Hollywood film mainstream American studio production 1915-1950 as quoted in post classical Hollywood roughly 1960 to present This strategic historical frame asks how does post classical cinema visualize its awareness of coming after a classical or golden age How do post classical filmmakers claim or disavow classical history How do historically disenfranchised post

classical filmmakers whether by gender sexuality or race grapple with exclusionary and stereotype ridden canons As a constitutive element of post classical authorship film quotations amass and manufacture classical Hollywood in retrospective highly strategic ways By revealing how quotational tellings of film history build and embolden exclusionary myopic canons Classical Projections uncovers opportunities to construct more capacious cultural memory

Jimmy Stewart Marc Eliot, 2006-10-10 Jimmy Stewart's all American good looks boyish charm and deceptively easygoing style of acting made him one of Hollywood's greatest and most enduring stars Despite the indelible image he projected of innocence and quiet self assurance Stewart's life was more complex and sophisticated than most of the characters he played With fresh insight and unprecedented access bestselling biographer Marc Eliot finally tells the previously untold story of one of our greatest screen and real life heroes Born into a family of high military honor and economic success dominated by a powerful father Stewart developed an interest in theater while attending Princeton University Upon graduation he roomed with the then unknown Henry Fonda and the two began a friendship that lasted a lifetime While he harbored a secret unrequited love for Margaret Sullivan Stewart was paired with many of Hollywood's most famous most beautiful and most alluring leading ladies during his extended bachelorhood among them Ginger Rogers Olivia de Havilland Loretta Young and the notorious Marlene Dietrich After becoming a star playing a hero in Frank Capra's *Mr Smith Goes to Washington* in 1939 and winning an Academy Award the following year for his performance in George Cukor's *The Philadelphia Story* Stewart was drafted into the Armed Forces and became a hero in real life When he returned to Hollywood he discovered that not only the town had changed but so had he Stewart's combat experiences left him emotionally scarred and his deepening darkness perfectly positioned him for the 50s in which he made his greatest films for Anthony Mann *Winchester 73* and *Bend of the River* and most spectacularly Alfred Hitchcock in his triple meditation on marriage *Rear Window* *The Man Who Knew Too Much* and *Vertigo* which many film critics regard as the best American movie ever made While Stewart's career thrived so did his personal life A marriage in his forties the adoption of his wife's two sons from a previous marriage and the birth of his twin daughters laid the foundation for a happy life until an unexpected tragedy had a shocking effect on his final years

Intimate and richly detailed Jimmy Stewart is a fascinating portrait of a multi faceted and much admired actor as well as an extraordinary slice of Hollywood history Probably the best actor who's ever hit the screen Frank Capra He taught me that it was possible to remain who you are and not be tainted by your environment He was not an actor he was the real thing Kim Novak He was uniquely talented and a good friend Frank Sinatra He was a shy modest man who belonged to cinema nobility Jack Valenti There is nobody like him today June Allyson He was one of the nicest most unassuming persons I have known in my life His career speaks for itself Johnny Carson
